Dear Sir/Madam,

**Subject: Supply of OXYTOCIN Injection by Karnataka Antibiotics and Pharmaceuticals Limited, Bangalore**

Karnataka Antibiotics & Pharmaceuticals Ltd., (KAPL) Bangalore is a Government Enterprise, a public sector undertaking pharmaceuticals. From a modest beginning in 1984, KAPL has grown from strength to strength in the areas of manufacturing and marketing of various lifesaving and essential drugs. With an ISO accreditation, KAPL is recognised for its total commitment to quality and services in domestic and international markets. KAPL facilities are approved by many international clients and regulatory authorities including the Pharmaceutical Inspection Convention and Pharmaceutical Inspection Co-operation Scheme (PIC/S).

Ministry of Health and Family Welfare, Government of India vide GSR No. 411(E) dated 27th April 2018 has ruled that the manufacture of Oxytocin formulations for domestic use shall be by public sector undertakings or companies only. Hence, KAPL being the public sector undertaking pharmaceutical has taken up the manufacture and distribution of Oxytocin throughout India through its distribution channels.

The KAPL contact details for Oxytocin supply are enclosed herewith and also available in our company's official website [www.kaplandia.com](http://www.kaplandia.com). Please contact the regional manager or KAPL branch for your region to get the supply of Oxytocin. Kindly pass on this information to all your members.

Please note that Oxytocin will be supplied only to registered hospitals/nursing homes/clinic and not to retail outlet/chemist as mentioned in GSR No. 411(E) dated 27th April 2018.

Thanking you

For KAPL
