**FOGSI 58th Annual Report  
2018**

**EDITORS**

**Dr. Jaydeep Tank**

**Dr. Parikshit Tank**

**Dr. Ameya Purandare**

**Dr. Komal Chavan**

**Dr. Madhuri Mehendale**

**Dr. Jaideep Malhotra**  
*President*  
2018-19

Dear Friends,

At the outset, please accept my sincere gratitude for having faith in me for this prestigious post and I hope I have come upto everyone's expectations. It was not an easy job at all especially coming from a tier two city and following the footsteps of a great year under the

leadership of Dr Rishma Pai. I must put on record that all the love, affection and support from each and everyone made my, this journey feel like a song and that is the strength of our wonderful organisation.

As president, you can get all kinds of advice from all kinds of people. But at the end of the day, when it comes time to make that decision, as president, all you have to guide you are your values and your vision and the life experiences that make you who you are.

Michelle Obama

My whole year was indeed planned keeping in mind my lifetime experiences as the third generation Obstetrician and gynaecologist and also my more than 25 years of travelling through every nook and corner of our country and trying to understand the ground level difficulties and challenges of our members everywhere. With the Theme "Give HER wings and Let her soar", I extend my sincere heartfelt gratitude to all my seniors, mentors and colleagues for all the guidance and support through out my tenure. What I understood from my various interactions with all stakeholders of women's health, was that we are all on the same page, wanting to do the same things, but our ways of functioning are absolutely different, our mindsets are stiff, not ready to change, and demands more communication and trust in each other.

I tried my level best to address this, but believe me friends, it was indeed a very tall order for one year. India is a huge country, 134 million population and with 26 million pregnancies happening with an acute deficiency of doctors, nurses and support staff. It is a humungous task to make any positive dent in the numbers and really needs a sustained collaborative efforts of all involved. We cannot achieve all in one day or year, but if we all move in the same direction and speak the same language, I am sure we will reach our destination towards respectful quality care for one and all, much faster. The contributions of our 36000 members all over the country are well acknowledged and worth salutation, it is because of these devoted services that today India has achieved MMR of 130/100,000 live births. We still have a long way to go.

For achieving our goals in the most stress free manner, a few things that are important at all levels are, to focus on Quality in the services being provided to our patients and Ethical practice is the key, which will restore the Dignity of

medical fraternity, as ours is one profession, which cannot be commodified. The load of work on us doctors is too much, which does not leave any quality time for us and our families and it is important that we share our responsibilities with the support staff and take out some time for ourselves. Employing certified trained staff is very important and encouraging them to refresh their learning and skill enhancement also positively motivates them. FOGSI Samarth Initiative is one such programme which builds up the skills of paramedical staff and encourages them to perform better.

Our connect with our patients and society is also very important and it is not only the health aspect which the people look upon us, they expect guidance on many other areas and the onus lies on our shoulders to bridge those gaps between science and society and connect with them, this year our main thrust programme ADBHUT MATRUTVA has been one such initiative which inculcates a Holistic approach towards managing Pregnancies from preconception to post partum care and also takes care of building connect with families and encouraging stress free good lifestyle and nutrition, which will not only help in reducing the burden of Non communicable diseases in future generations, but also build healthy connect with the mothers and families, increase the vaginal delivery rate and help in good neurocognitive development of the children. I am very thankful to Eris Montana and the Brahma Kumaries for helping us in the Holistic module for the same for Hospitals and pregnant mothers.

For any plan to be effective, data collection and analysis are two most important measures, we are a DRIP country (Data Rich, Information poor), because we do not believe in documentation and analysis. Timely audits are also equally important and teach us many things. FOGSI HEALTH INDIA is one such initiative which provides us software for clinic management system and App for patient and personal management. If we just start using this, though it might take initial some time to put the systems in place, but life will become much easier later. Patient can get a lot of evidence based information from the App and reduce a lot of time interactions with the healthcare providers and Doctors can manage their clinics and work more efficiently. I, Urge all Fogsians to start using these as even with Ayushman Bharat and other Government schemes, Documentation is the most necessary step. Let us be ahead of times and be prepared for future needs.

Our health and disease has a direct relationship with our lifestyle and environment and a lot of emphasis has been given to both this year. The onus of all these lies on our shoulders. Good exercise, nutrition and looking after our environment is important aspect of our other responsibilities. This year FOGSI has taken extra care of being Paper free, we have worked on most of the communications through electronic media, we have planted one lakh trees through our various societies and their members and we have pledged to plant a similar number for next five years, I would like to

thank all societies for their unconditional support.

Another very important initiative taken this year was that all our election process will be through E Voting and we have now in place member management system and also FOGSI Office is now ISO accredited and I thank Dr Jaydeep Tank for all the efforts.

We have conducted many out of the box programmes this year, one such initiative was FOGSI, HELM (Health economics, Transformational leadership and collaborative management )course at Pondicherry , for our young gynaecologists, to make them ready for the future challenges and the aspects dealt in this course have never been touched by any education curriculum. I thank Dr Deepak Gupta, Ms Jenny and Dr Hisham from Keele university UK for the same.

It is our right to get information about any issue and we conducted a very important meeting on RTI(Right to information) at Lucknow and many members benefitted from this exercise.I thank his excellency the Governor of UP Shri Ram Naik ji, Dr Javed Usmani, Dr Farah Usmani and Mr Rajesh Mehtani for all the help extended in this programme.

What is FOGSI doing for its members?. In spite of so many mails being sent to all societies, we still keep on asking the same questions, it is general apathy and most of us are so loaded with work and responsibilities that many key issues take a back seat and when something goes wrong then we remember the organisation. FOGSI is a very evolved organisation which looks after its societies and members well. We have a FOGSI Social security scheme and FOGSI Indemnity scheme, we have legal help available for all members for any legal problems, all one has to do is enrol in the schemes. We have encouraged societies to form Rush teams in case of emergencies. I thank Mr Chandrakant for his dedicated service for this endeavour. FOGSI for Fraternity was a special conference dedicated to this, which was organised in the month of February at Varanasi.

Liaising with the Government of India, Ministry of health and family welfare, law and legal affairs, science, technology and environment Ministry, Niti Aayog, Indian Medical association, Indian Academy of Paediatricians, Indian society of Medical and Preventive Oncology, Indian Society of Liver Diseases, Indian Menopause society, and Various national and international NGO's Merck for mothers, WHO, JHPEIGO,PHFI,GHS,PSI, NIINE Foundation, BPNI, AVNI, McARTHURS Foundation, DKT, ERIS Montana ,Sun Pharma ,we have worked with them all on many areas of mutual interest.

Saath Saath is one such initiative with the IAP on Perinatology problems which has been initiated with the Pediatricians and Gynaecologists and many TOTs have been conducted this year and will continue further.It was only possible with the efforts and mutual understanding of the President IAP Dr Santosh Soans, Dr Ranjan Pejaver, Dr Uday Giri and I would like to thank Dr Pragati Khalatkar and Dr Vaishali Chavan for the conduct of these programmes.

Our interaction with international organisations FIGO,AOFOG,SAFOG, RCOG,RCPI have been

phenomenal and grown from strength to strength. Our members have been conferred honorary Fellowships of the Royal colleges of UK and Ireland. This year we saw the largest Indian contingent of 1100 strong members attending the FIGO conference at RIO(Brazil). Many of our members are representatives in various committees of FIGO. Our India night at FIGO was the most well conducted and attended event. My sincere thanks to Dr Sanjay Gupte, Dr Narendra Malhotra and Dr Hema Divakar and Mr Arvind for this great memorable event.

FOGSI has taken up many issues with the Government of India, be it PCPNDT act, ART bill, Surrogacy Bill, Oxytocin retail ban issue and caesarean section, Mob violence, consumer protection bill and modification in clinical establishment bill, GST on sanitary pads, MTP act amendments , Abortions, Family planning, Long acting Contraceptives, Ethics as part of MBBS curriculum, revising of the curriculum for Obstetrics and Gynaecology, reimbursement for Ayushman Bharat , Public private partnership and linking of ADBHUT MATRUTVA with PMSMA, acceptance of Manyata accreditation for Ayushman Bharat and we have had many issues sorted out.I am very thankful to more than 5000 of our members actively serving for I Pledge for nine and PMSMA for which many Champions have been especially felicitated in June during a special event by the Health minister Shri J.P Naddaji and I had the privilege to share the stage with him representing FOGSI.

FOGSI has a big role to play in the connect with the public and CSR activities, this year we have seen some phenomenal programmes being conducted for public education and sensitization. Beti Bachao,Beti Padoo is a FOGSI slogan since 2008 and many programmes have been conducted by all FOGSI societies all over the country, and the Walkathon for HER organised in more than 140 societies of FOGSI, which was a landmark event gone down as history in the pages of India Book of Records.

We have this year launched FOGSI You tube Channel, and also made several films Doshi Kaun, Adbhut Matrutva, Gali mein Dhaak, Meri Marzi . My special thanks to Mr Sunil Gulati for directing these films and to Ms Soha Ali Khan for recording key motivating messages for FOGSI Indemnity schemes and ADBHUT Matrutva and Doshi kaun film and my special thanks to Mr Todd Callaghan from DKT, Ms Poonam Muttreja from PHFI and Mr Shiv Menon for all the help extended at all odd times. We have started a FOGSI Youtube Channel with videos for public education and many are still in the pipeline. My special thanks to Dr Girija Wagh for recording the first Youtube Video on Immunization schedule. FOGSI has taken time on FAM Health channel for disseminating public education on health and many programmes have been recorded which are being aired to improve public understanding. Special programmes have been aired on Doordarshan, Loksabha TV and News Nation. Many articles published in various newspapers especially ET News, Telegraph and Dainik Jagran and magazines Womens' Era, Local magazines have carried out articles and special events were conducted at various levels with many

organisations.

In June an International summit on Womens' health was organised to bring out a white paper on various key Womens' health issues, which was presided by the Health minister of India Shri J.P Naddaji and faculties from key organisations from all over the world participated, Highlight of this conference was the attendance of FIGO President Dr C.N Purandare, WHO representative Ms Payden, Presidents of Key organisations of the world .

Another Key event was the Womens' Empowerment conference at Kanpur in October where President of India Shri Ram Nath Kovind ji presided and was blessed by Dr Harshvardhan Minister for Science ,technology and environment and Mrs Rita Bahuguna Cabinet minister womens' welfare and Mrs Shabana Azmi.I put on record my sincere appreciation and gratitude to Prof Meera Agnihotri, Dr Kalpana and Dr Rachna Dubey and team Kanpur for this great event.

All Yuva and other Conferences were very focussed and had total personal supervision of each Vice President, starting with the first one on Surgical Skills at Dehradun with Dr Pratima Mittal and Dr Luna Pant, was very well attended and followed my MMMCON at Ahmadabad under the leadership of Vice President Dr M.C Patel and Dr Alpesh Gandhi. June the one of its kind International Womens' Health summit at Delhi and my sincere thanks to Dr Narendra Malhotra and Mr Sumit Ghai for the superb conduct of this event ,and conference on Fetal medicine at Patna which was very well attended thanks to Dr Pragya Mishra and team Patna. The Art and craft of Vaginal delivery at Udaipur was another landmark conference with Dr Lila Vyas and Dr Prakash, followed by Breastcon at Indore organised by Dr Kavita Bapat and in this conference we had the biggest interactive session for training of the 1500 ANMs, and nurses on Adbhut Matrutva and breast feeding. And the feedback from these Paramedics was phenomenal. Thirty solutions for thirty Plus problems a conference dedicated to midlife management at Vijayawada under the able guidance of Vice President Dr Jayam Kannan ,Dr Sasibala ,Dr Uma Millikeni and Team Vijayawada was yet another superb event with prescription writing in Hormone therapy with IMS. Our last Yuva on Preventive Oncology at Gangtok was yet another fantastic event for the first time at Gangtok under the supervision of Vice President Dr Rajat Kumar Ray and Dr Hafizur Rehman and last focussed event was the conference on Adolescents Problems at Chennai ably organised by Dr Sampath Kumari and Dr Palaniappan, which saw Mrs Shiny Wilson(Ace Athlete), Mr Mohd Riaz(hockey Player)and Ms Bhavani Devi ,Indian ace fencer gracing and motivating our adolescents.

Setting up standards and educating and motivating members towards Respectful Quality services is yet another initiative of FOGSI specially for Private hospitals MANYATA. Defining quality criterias and training doctors and staff of hospitals to follow them and accrediting these facilities. No words to express gratitude to Dr Hema Divakar, Dr Hrishikesh Pai,Dr Ameya Purandare, Dr Sanjay Gupte and Ms Pompy Sridhar

and Ms Deepa Nag from Mcarthur and JHPEIGO team led by Dr Bulbul Sood for this great forward moving step of empowering clinics.

Our Indian College of Obstetrics and gynaecology under the Chairperson Dr Shantha Kumari , Vice Chairperson Uday Thanawala and Secretary Dr Parag Biniwale has been striving continuously towards academic excellence. ICOG Fellowship ,certificate courses, CMEs, Oration,Newsletters,C L Jhaveri session are all much sought after. This year a unique conference on Principles, Protocols and Practices organised by Dr Shantha Kumari drew a formidable attendance and DHEERA project for prevention of Violence against women was very well appreciated and released the Induction of labour Guidelines, sincere appreciation for team ICOG and Dr Ashok Kumar for his hardwork.

Our sub committees and Committee chairs have done commendable work and my special thanks to Dr Archana Verma, Dr Kavita Bapat, Dr Pragya Mishra, Dr Charmila, Dr Sampath Kumari, Dr Hemant Deshpande, Dr B Ramesh,Dr Vaishali Chavan, Dr Asha Bakshi, Dr Vidya Thobbi, Dr Bharti Maheshwari, Dr Rajendra Nagarkatti, Dr Pratik Tambe, Dr Kuldeep Jain,Dr Bhagyalaxmi, Dr Vinita Singh, Dr Yashodhra Pradeep, Dr Geetendra, Dr Meenu, Dr Sebanti, Dr Sudha Tandon, Dr Nita Thakre, Dr Palaniappan, Dr Rajendra Sankpal, Dr Mritunjay, Dr Gorakh and Dr Sanjay Das .

Our Core Cells have been working efficiently in streamlining many issues, gratitude to all the conveners, past Presidents and members of these cells for their contributions.

PG force Thanks to Dr Hemant Deshpande for driving it forward and C G Saraiya CME, all the year numerous CMEs have been organised all over the country and FOGSI's certificate courses have all been well received and hundreds of students are being benefitted.

This year saw FOGSI participating in yet another landmark event organised by SAFOG at the royal college premises London and India day celebrations with the London Chapter also took place one day before with the members of London chapter and representation from FOGSI leadership and members. Really appreciate the efforts of Dr Dib Dutta from London and Dr Rishma and Dr Hrishikesh Pai from India.

FOGSI has had many publications this year including the FOGSI Focuses, Newsletters Dil se dil tak , Times of Gynaecology, Guidelines, checklists and FAQs. My special thanks to Dr Anil Arora, President of Indian society of Liver diseases for guidelines with FOGSI on Pregnancy and Liver disease and to Dr Suchitra Pandit for the GCPR on Ectopic Pregnancy.

FOGSI is one really evolved organisation which has developed one unique bond with public through its CSR activities. We have this year conducted many innovative programmes for public connect, starting from a unique App Adbhut Matrutva for all pregnant mothers thanks to persistent pursue towards excellence by Dr Rashid Rizvi, Dr Dayanand Mishra and Mr Thakur, many public forums have been conducted for Adbhut Matrutva thanks to the untiring

efforts of BK Shivani Didi, Dr Shubhda Neel, Dr Girish Bhai. All Banquets for conferences were Charity dinners for a cause, be it specially challenged children, cancer champions, Brave hearts and acid victims. My special thanks to FOGSIs daughters Ms Sakshi, Ms Priya and Nirbhayas Mother . Our joining hands with NIINE Foundation for promotion of menstrual hygiene and many walks, public forums have been conducted with them and Pad vending machines installed in many schools and public areas with film star Akshay Kumar being our brand ambassador. No words to express gratitude to Mr Amar & Payal Tulsian of NIINE foundation for multiple sensitisation programmes all over the country. We also connected with FICCI for the Akshay Jeevan initiative of cancer cervix screening the mother and immunizing the daughters. Our collaboration with Lions club for Breast cancer screening, with lions club donating IBreast screening device.

FOGSI collaborated with Ek koshish for prevention of female feticide special thanks to Mrs Anupma Singh. FOGSI helped reviving suburban hospital in Kerala Floods devastation, members of FOGSI donated 50 thousand to a village in Imphal to set up a rural helpline for villagers thanks to Dr Rajkumari Savannah, Dr Indra Kumar, Dr James, Dr Nabhakant sharma and Dr CM Singh, Dr Dipak Bagde , Dr Kanthi Bansal and Dr Sudhir Shah and 42 Fogsians from all over India participated in this connect with NORTH EAST . I have also requested the Chief minister of Manipur Shri Biren Singh Ji for posting an ambulance for this village Langdong.

Many societies have done a lot of activities with social connect and that is the way forward. We from FOGSI this year have put on record our appreciation for many of our members, who have worked untiringly to save as many lives as possible, in the form of Unsung Heros Awards.

FOGSI has started branding merchandise this year and ties, tie pins, Aprons, key rings are all available.

I have personally had the privilege of visiting 57 societies in 25 states ,and right from North to South and East to West have tried to connect with all member societies and sort out many local level issues and induct new societies also.

Liaising with the Government all office bearers and key members have been representing FOGSI at various platforms with the Government of India, WHO, Niti Aayog and the Health Ministry. I have personally had extremely positive relationship with the Ministry of health and Family welfare and I would like to put on record, my sincere gratitude to our President Shri Ram Nath Kovindji, Union Minister Health Shri J.P Naddaji, Science and technology Minister Dr Harshvardhan ji, Minister for law and justice Shri Ravi Shankar Prasadji, Minister of state for health and family welfare Ms Anupriya Patelji and Shri Ashwini Kumar Choubeyji, Special thanks to Shri Sanjay Jaiswal ji for raising our question in the parliament on Oxytocin retail ban, To the Governor of Uttranchal Ms Baby Rani Mauraya, Governor of Uttar Pradesh Shri Ram Naik, Governor of Sikkim Shri Ganga Prasadji ,Health Minister of Sikkim Shri Arjun Kumar

Ghatani, Shri Naveen Patnaik Chief Minister of Orissa, Dr Sambit Patra BJP spokesperson, State Minister for Women and Child development Madhya Pradesh Ms Archana Chitnis Special chief secretary of Medical and health Dept Telangana Ms Poonam Malakondaiah and ever obliging Secretary health and family welfare Ms Preeti Sudan, giving a intent hearing Addl Secretary& DG Dr R.K Vats, gracious Addl secretary Mr Manoj Jhalani, Ever helping Joint secretary Mrs Vandana Gurnani, down to earth Deputy commissioner Dr Himanshu Bhushan, always approachable Deputy commissioner Dr Dinesh Baswal, most soft spoken Deputy commissioner Mrs Sumita Ghosh. Gratitude to Dr Vinod Paul from the Niti Aayog and Executive Director NHSRC Dr Rajini R Vaid. My sincere gratitude to Deputy Commissioner Dr Ajay Khara for giving unique opportunity to FOGSI on the Partners Forum platform with 80 participating countries.

In the end, I could not have sailed through this year without the blessings of all mighty and support from my National coordinator my philosopher and my guide Dr Narendra Malhotra, Joint secretary Dr Neharika Malhotra Bora, who worked untiringly to meet all deadlines and Mr Ravi, my secretary without whom, this marathon would not have been possible. To all my you name it and we do it, Vice Presidents Dr Pratima Mittal, Dr MC Patel, Dr Jayam Kannan, Dr Lila Vyas and Dr Rajat Kumar Ray, and committee Chairpersons , Office bearers Secretary general Dr Jaydeep Tank, who made my every wish possible, Deputy secretary general Dr Madhuri Patel, who looks after the website and has been a constant source of support, treasurer Dr Suvarna Khadiilkar who looks after dual responsibility of FOGSI Journal, which is doing very well along with the FOGSI treasury, Joint treasurer Dr Parikshit Tank on ably assisting at all times. To our legal advisor Mr Amit Kharkhanis and Chartered accountant Mr Bhalekar for all the timely advise. Big thank you to the office staff of FOGSI and NPMU for always being supportive. To all the angels from Pharma industry, who stood by me and many of my out of the Box ideas for providing Blanket support for every endeavour and to Mr J P Vij for all Publications. Last but not the least to my entire family Dr R.M Malhotra, Dr Keshav Malhotra, Dr Rishab Bora and Neerali, my team from Rainbow hospitals and Malhotra nursing and maternity home, Agra for bearing with my erratic schedules, my friends and colleagues from Agra Obs and Gynaec Society, especially Dr Ruchika Garg for blanket support and understanding my constraints.

As I hand over to my dear gorgeous, dynamic loved by one and all friend Dr Nandita Palshetkar, I will quote, Tony Robbins,

“Life is a gift, and it offers us the privilege, opportunity, and responsibility to give something back by becoming more.”

Dr. Jaideep Malhotra  
*President*  
2018-19

## FROM THE VICE PRESIDENT'S DESK

**Dr. Jayam Kannan**

We are all pleased and honoured to serve as Vice-Presidents FOGSI 2018.

Throughout our 12 months of service to this great institution we were reminded of the important role that philanthropy has always played to propel FOGSI to heights greater than it ever imagined.

**Dr. Pratima Mittal**

As FOGSI continues its service under the leadership of Jaideep Malhotra, we never had a better time than this year in our life. At the heart of it all, is the commitment to all its members, and womanhood. Academic support from all the societies, inter committee's coordination, have brightened the future of FOGSI. Leadership programs gave new dimension to FOGSI's capabilities.

**Dr. M. C. Patel**

Thanks are due to our predecessors. Over the years they have done a fantastic, shaping this biggest association of FOGSI. We all were aware of the responsibilities that the role entails, and we approached our new role with both excitement and some trepidation!

Given the secure footing of the association, we do not propose any immediate or radical changes under our leadership, however time and again we need to continue to evolve to ensure full advantage is taken of the rapidly changing world of maternity services and newer technologies.

**Dr. Rajat Kumar Ray**

We thank all our committee chairs, presidents and secretaries of the societies all over the country and abroad, executive team of FOGSI, administrative team, ICOG team, who have toiled in the production of their work, and have always helped us to serve better.

**Dr. Leela Vyas**

We all extend a warm invitation to the new team of vice presidents and assure them all our support.

## FROM THE DESK OF SECRETARY GENERAL

**Dr. Jaydeep Tank**  
Secretary General, FOGSI

### Report from the FOGSI Office:

Your office has had a busy year towards ushering in a series of changes some dramatic, some incremental and some tweaks, all geared to make sure that you the member can harvest the full potential of all that FOGSI has to offer. It is a pleasure and a privilege to present some updates from a very busy, engaging and ultimately fruitful year.

Although our old email address's continue to function we are trying to migrate to new intuitive email address's and we would like to inform you of them. These addresses are:

Office - [office@fogsi.org](mailto:office@fogsi.org), Accounts - [accounts@fogsi.org](mailto:accounts@fogsi.org), Membership and FOGSI Schemes - [membership@fogsi.org](mailto:membership@fogsi.org), FOGSI training centres - [training@fogsi.org](mailto:training@fogsi.org), ICOG - [icog@fogsi.org](mailto:icog@fogsi.org),

FOGSI Journal - [jogi@fogsi.org](mailto:jogi@fogsi.org)

We have also installed a hunting system for the telephones in the office. Our phone numbers are: 02224951648, 02224951654, 02224948032.

### Membership Management System:

We now have a mature and robust Membership Management System. Last year we had 24945 members eligible for voting (A category members), we have both mobile numbers and email details for 17536 members, only email (no mobile number) for 987 members and only mobile number (no email address) 5587 members. Thus we have some detail either mobile or email for almost all our members who are eligible to vote.

The System allows members to handle and update their own data, back by a secure OTP based system to ensure that any changes are verified by the member. This enables members to update the data as and when they need without the need for a complex system of having to update in the local society which then sends to the office. We are giving members control over their own data. Each society will have access to their own members data. In the future they will simply upload an excel file to the database to update the annual

subscriptions, which will be activated after verification. Each individual Society will therefore have the capacity to conduct their own elections electronically. The FOGSI office will verify data, perform digital outreach and conduct national elections. Once your data is uploaded the office will verify it against the members list submitted by your society. For any doubts please call 9820106354 or 022-24951648

Lastly if you have not already done, please log on to [member.fogsi.org](http://member.fogsi.org) and check your data. If you have any trouble with doing so please contact Varsha at the FOGSI office on 02224951648, 02224951654, 02224948032 or by email [membership@fogsi.org](mailto:membership@fogsi.org) or contact 9820106354.

The Constitution has been completely overhauled. It has been stream lined, made easy to understand for all members, by adding explanations where required, creating an index and renumbering with chapter, clause and sub clause to make for easy referencing and cross referencing within the constitution.

FOGSI continues to advocate for several legal issues which affect our members.

The writ petition on the PC PNDDT Act has made its way in the Supreme Court. Final arguments have been concluded and written submissions are complete. The Court has reserved its order and we eagerly await the judgement. Senior Counsel Mr Soli Sorabjee and Mr Shyam Diwan represented us in the matter. For updates please go to <https://www.sci.gov.in/case-status> and look up Writ Petition Number 129 / 2017. Our intervention in the IRIA can also be tracked on the same website using the details as Special Leave Petition (Civil) Number 11046 of 2016. Senior Counsel Mennakshi Arora is representing FOGSI in this matter. We have also taken up the issues of the ART Bill and Surrogacy bill, Cesarean rates issue and the MTP Act at the highest levels of the Government. A public notice was issued which sought to further regulate the sale of Oxytocin in India. A letter was written to the concerned authority and several representations were made at various levels to the Ministry of Health in New Delhi conveying the concerns, the circular raised, for women's health in India. We are pleased to inform that as of now the circular has been held back at least till September 2018. Efforts to ensure that this life saving drug is available freely, continue.

## ISO

As you must have noticed in, the accreditation process for ISO certification has culminated in FOGSI being awarded the ISO certification. This has only been possible due to the efforts of all the office bearers and the staff at the office.

We are very pleased to share that FOGSI crossed the landmark figure of 250 member societies. Each and every society either already affiliated, in the process of being affiliated and those who aspire to be affiliated deserve our gratitude. It is the member societies on whose shoulders FOGSI stands and we hope that we can expand further and add quality to our women's lives.

The format of the minutes was changed to help in greater accountability. We also made the minutes relatively concise. The average number of pages for the last four minutes has been 73 pages, these minutes were 56 pages long. A decision was taken to not print copies of the previous managing committee meeting for distribution at the managing committee meeting. The minutes were of course circulated by email to all the member societies in advance. By this simple step we saved the printing of 11200 pages. The agenda and minutes of the GBM were also circulated electronically. This saved the printing of over 10 lakh pages.

We had very fruitful cell meetings and the conference conduct committee meeting prior to the managing committee. A meeting of the FOGSI committee chairs was also held. Several suggestions were proposed by the committee chairs, and accepted by the office bearers, for presentation to the managing committee. These were later approved.

FOGSI contributed generously to the Kerala relief fund. Several of our societies also contributed to the fund and we are very thankful to all of them. We also contributed to the IMA fund for the IMA Mahapanchayat.

For the first time ever nominations for the various FIGO committees and nominations for the AFOG Chien - Tien Hsu Memorial Lecture were announced and invited for amongst all the member societies. All the office bearers were involved in a closed election for this and the names which were selected were then forwarded.

The election results were declared amidst much excitement. The results are available on the next page. From the 32672

members which we have, 24945 were eligible for voting and as many ballot papers were dispatched from the FOGSI office. we received back 7089 ballot papers (Voting percentage 28.42%), the **highest** number of votes cast since 2014. Surprisingly enough we received 27 ballot papers from last years election !! We received approximately 150 queries at the office regarding the non receipt of ballot papers and we answered each one of them by tracking the ballot papers.

FOGSI has now decided after lengthy discussion in the managing committee and the General Body to **move to e voting**. The constitutional change to this effect has been ratified in the managing committee and General Body and next year (2019) the elections will be conducted by electronic means. A detailed note on the voting process will be shared on the website after the January Managing committee meeting. Your suggestions are very welcome.

Surprisingly enough, the criteria required to elect Committee Chairs of FOGSI were not a part of our constitution. This has now been added after due discussion. The funds available to each committee have also been enhanced and a new format for applying for these funds is now in place. Several changes were also proposed to the training centres affiliated to FOGSI. Amongst the major changes, every training centre will now require a renewal of its affiliation (this was not required previously), the centre will be required to verify the candidate as a FOGSI member before the training, the signature on the certificates will be electronic, and we will now move to an online examination format where required for the centres. Guidelines will also be made on advertising of trainings by the centres. The FOGSI year has now been defined as one extending from one AICOG inauguration to the next one. The financial FOGSI year remains the same as per norms. Therefore the annual report will now extend from one FOGSI year to the next.

FOGSI has launched its Twitter handle @FOGSIHQ Please follow it for updates and interesting information on women's Health.

We all look forward to meeting you at the next Managing committee and General Body meeting and at various CME's and conferences.

With warmest regards,

**Dr Jaydeep Tank, Dr Madhuri Patel, Dr Suvarna Khadilkar, Dr Parikshit Tank.**

## FROM THE DESK OF DEPUTY SECRETARY GENERAL

**Dr. Madhuri Patel**  
Deputy Secretary  
General

**Technology, if you use it right, it could give you power. - Cory Doctorow**

Greetings!!

Amongst the various organizations of medical speciality, FOGSI has always remained in forefront in innovation. FOGSI has always appreciated, acknowledged and accepted the innovative suggestions of all the FOGSIans. It is with this collective and inclusive approach, we are able to stand tall amongst our peers. FOGSI has stepped into the digital age several years back and now has ventured forward with several digital initiatives.

**The FOGSI website: <https://www.fogsi.org>**

Web literally means a “Net”. The website virtually brings the community in one net, one web. The World Wide Web (“WWW” or the “Web”) is a global information medium which users can read and write via computers connected to the Internet. Google’s search engine now one of the most visited sites on the internet was an effort to put some order in to the Web. As Tim Berners Lee, the founder of the World Wide Web put it so concisely “Web users ultimately want to get a data quickly and easily.”

The FOGSI website has undergone a comprehensive redesign so that the web users can get a data quickly and easily. The new design seeks to embrace the cutting edge of Web Graphic Design and I am very happy to report that besides the actual coding most of the design has been done by us. Our website is testimony of innovation and dynamism. We have channelized all the suggestions and criticism and the result is obvious. Our website is very much user friendly. We have tried our best to evolve website which is easy to understand and operate. Our members who are not very much tech-savvy and who do not have much time to browse our website, are also happy to acknowledge the simplicity of our website. Our main focus is to reduce scrolls on the pages. The lack of scrolling means the content is extremely focused, and the hierarchy of content is clearly established.

We have also introduced Responsive Web Design to re-paginate the content to suit the device being used to view it. The fluid grid allows the content to react to smaller / larger browser windows. Therefore, we could make the website Flat, Responsive and Small. The Responsive Web Design responds to user’s behaviour and an environment based on screen size, platform and orientation. The practice consists of a mix of a flexible grids and layouts, images and an intelligent use & CSS media queries. Enough rooms on the edges of the article and background, let your eyes breathe.

Navigation is fluid and context sensitive with the number of clicks being reduced to minimum with the use of hovering to change the content below the menu as you move from icon to icon. e.g. on the page where the office bearers are listed hovering over the office bearers brings up the contact details. We also have a static top menu which remains in place as you scroll through a page allowing you to have navigation options from anywhere in the page rather than going back to the top of the page every time you need to go to another page. We also now have a dynamic homepage. This year in homepage we have incorporated GCPR, FOGSI FOCUSES, Endoscopy videos and about Manyata Project for the easy access to our members. There are some dead links on the page for features we will introduce as the website develops.

We have also tried to incorporate “delightful design” into the website. As an example when you hover over the menu above and below the dynamic scroll you will notice that the dot below the text gets magnified to show your place on the page easily. You will also notice the colours of the placeholder dots are saffron, white and green to represent our national flag.

We have introduced Google translate built in to the website which will allow users from all over the world to access the website in their native language. Currently we have the languages from the countries where the Analytic data shows

we have the heaviest use from besides English.

In this year, the website hosted 113,218 users with 193,555 sessions and 547,550 page views.

We can be contacted directly from the website simply by filling a form on the home page itself.

We have formed a Website Committee. We have also in place a Website Advisory Board consisting of FOGSI members, FOGSI partners and International advisors. We have also put in place an editorial process for the website.

#### **The office:**

The office is moving rapidly towards automation of various tasks ranging from the simple like backing up data to complex tasks like the membership management system. The office has invested in state of art IT infrastructure and is making the most of it resulting in greater efficiency and fewer redundancies.

We have introduced Outlook : FOGSI.ORG EMAIL which is easy to operate, once the net is connected emails go automatically from the outbox, can be used previous email as an attachment. Outlook makes it easy to be your most productive, organized, and connected self - at home, at work, and everywhere in between. Outlook's also has flag system with reminders. Members can directly email to concerned staff for their queries for e.g. FOGSI OFFICE OUTLOOK ID : [office@fogsi.org](mailto:office@fogsi.org) , FOGSI ICOG OUTLOOK ID: [icog@fogsi.org](mailto:icog@fogsi.org) , FOGSI MEMBERSHIP OUTLOOK ID: [membership@fogsi.org](mailto:membership@fogsi.org), FOGSI JOURNAL OUTLOOK ID : [jogi@fogsi.org](mailto:jogi@fogsi.org), FOGSI ACCOUNTS OUTLOOK ID : [accounts@fogsi.org](mailto:accounts@fogsi.org)

and FOGSI TRAINING OUTLOOK ID : [training@fogsi.org](mailto:training@fogsi.org) .

The SMS Software continues to prove its utility with messages being used to reach out to our members. The SMS system is built on the database of our members. We have put in place SMS policies and policies to protect members data. Any conference which is in partnership with FOGSI can send SMS's to our members at no cost for the conference through the office. We are also using no cost SMS policy for important information and with release of each issue of the journal with the link so that members can access directly complete information/ abstract/ full article from their smart phones.

#### **Membership Management System**

FOGSI is Federation of societies and as such relies on its societies for the data of its members. Although a large majority of the data is good, there are significant gaps in the data which cause a lag in communication. We have therefore developed a cloud based membership management system. We hope to empower members with the ability to view their data and change it subject to verification using OTP's for verifying the mobile number and email. We are looking to this system to enable e voting over a period of time, most probably coming year.

I would like to thank Dr. Jaideep Malhotra, President FOGSI 2018, Dr. Jaydeep Tank, Secretary General, Dr. C. N. Purandare, my Mentor, Advisory & Committee members of website, Dr. Suvarna Khadiolkar, Treasurer, Dr. Parikshit Tank, Joint Treasurer, Web Designer Mr. Trivedi & Mr. Sanjay Gole, Office Staff especially Sangeeta and Kanchan for their valuable inputs and support in these digital initiatives.

## TREASURER REPORT FOR THE FINANCIAL YEAR 2018

**Dr. Suvarna Khadilkar**  
Treasurer, FOGSI

It is my privilege to present the treasurer report of our federation for the year January to December 2018

Our Audited Statement of Accounts and Balance Sheet for the financial year 1<sup>st</sup> April 2017 to 31<sup>st</sup> March 2018 was circulated to all members on 10<sup>th</sup> September 2018 & it was presented & approved on

managing committee and general body meeting on 22<sup>nd</sup> & 23<sup>rd</sup> September 2018.

The income received from various sources by the federation during the financial year ending in March 2018 was as follows:

Conferences	Rs.2,56,26,260/-
Subscription from societies	Rs.1,70,90,219/-
Training Fees	Rs. 25,71,437/-
Journal Income	Rs. 1,11,16,978/-
Sale of list	Rs. 1,98,600/-
Bank Interest	Rs. 55,99,112/-
Other income	Rs. 6,22,931/-
Presidential Fund	Rs. 29,50,000/-

The total income generated during the financial year 2017-2018 was **Rs.6, 57, 75,538/-**

The major contributions of our income were as follows:

1. Conference money 41%
2. Subscription from affiliated societies about 27%
3. The journal income about 18%

The expenditure incurred to the federation during the financial year was as follows:

Office expenses	Rs. 1,29,45,080/-
Organizational Expenses	Rs. 5,50,68,738/-
Establishment expenses	Rs. 62,09,279/-
Journal Expenses	Rs. 2,04,66,537/-
Professional & Legal fees	Rs. 4,11,075/-
Other Expenses	Rs. 1,25,000/-
Expenses from Presidential Fund	Rs. 9,00,000/-

The total expenses incurred during the financial year 2017-2018 was **Rs.3, 93, 09,560/-**

Our Federation has generated a healthy surplus of **Rs.2, 64,65,977 /-** at the year end March 2018

As per the resolution passed in the Managing Committee and Annual General Body Meetings September 2018. We have earmarked the surplus funds in the following objects:

1. Rs.50,00,000/- transferred to FOGSI - Premises Maintenance Fund account,

2. Rs.50,00,000/- transferred to FOGSI - Contingency Reserve Fund Account,

3. Rs.1,29,00,000/- transferred to FOGSI - Legal Aid and Service Fund Account

The balance transferred to these accounts have been invested in security giving maximum returns on investment and interest received is credited to the revenue account and utilized for the purpose.

### Report from 1st April 2018 to 31st December 2018:

During this period we have had an overall income of Rs.3,51,33,336/- and a reasonable expense of Rs. 2,76,72,293/- so we are in good shape and we have a surplus of Rs. 74,61,043/- in December 2018. Presidential funds raised during this period were Rs. 1, 64, 37,810/-out of this Rs. 1,51,42,891/- were used for objects of the fund so there is a balance of Presidential fund of Rs. 12,94,919/- as on 31 December 2018.

I request all the societies and organizing committees to regularly submit audited reports (within 9 months conference) to center for smooth auditing of center accounts.

### FOGSI SOCIAL SECURITY SCHEME (SSS) & FOGSI INDEMNITY:

FOGSI has two schemes that is Social Security Scheme and Indemnity Scheme.

#### FOGSI INDEMNITY POLICY

Particulars	April 2017 to March 2018	April 2018 to December 2018
New Members	67	26
Total Members	1042	1068
Claim registered	7	4
Claim Passed	-	1
Total claims registered	65	69
Total Claim passed from beginning	17	18
Pending Claim	51	50

#### FOGSI SOCIAL SECURITY SCHEME

Particulars	April 2017 to March 2018	April 2018 to December 2018
New Members	40	92
Total Members	1382	1474
DFC Paid to Member	1,22,610/- (1 Member)	-
Total 33 number of members Nominee actually received Death Fraternity Contribution		

I urge to all members to register in large numbers and become member to take advantage of these two schemes for own security as well as of your family.

For further details of the schemes you may contact FOGSI Office 022-24951654 / 24951648 or mail us at [fogsischemes@gmail.com](mailto:fogsischemes@gmail.com) / [fogsi2007@gmail.com](mailto:fogsi2007@gmail.com).

## PROJECT REPORT FOR THE FINANCIAL YEAR 2018

**Dr. Parikshit Tank**  
Joint Treasurer

The constitution of the Federation of Obstetric and Gynaecological Societies of India includes in its objects the goal of betterment of health of women. It also promotes the collaboration of FOGSI with other professional bodies and

the Government to achieve such goals. With the passage of time, FOGSI is now involved with a number of projects of growing complexity and budgets. The budgets are subject to audit internally and externally.

The various projects in which FOGSI is involved are outlined below.

Name of the Project	Key Personnel from FOGSI	Purpose	Duration
PPIUCD Project (FOGSI, FIGO, AVNI)	Dr Hema Divakar	Training, promotion of postpartum IUCD use as a LARC	2015-2018
MANYATA (FOGSI, MSD for Mothers, MacArthur Foundation, Jhpiego)	Dr Hrishikesh Pai Dr Hema Divakar + NPMU	Private healthcare facility quality improvement and certification for respectful maternity care	2017 onwards
Hyperglycemia in Pregnancy (FOGSI, FIGO, WDF, AVNI)	Dr Hema Divakar	Diabetes prevention, detection and care in pregnancy	2017 onwards
HPV (FOGSI, MSD)		Awareness and promotion of vaccine	
Population project (FOGSI, PFI)			

### PPIUCD Project

- Funds received = INR 8,16,48,884

- Project expenses = INR 8,09,42,009

- Balance amount = INR 7,06,875

The closing meeting for the PPIUCD project was held with all the stake holders at the FOGSI Office in November 2018. The account management and closure formalities were discussed. The future directions for the project will be discussed by Dr Hema Divakar at the Managing Committee Meeting.

### Manyata

- Funds received = INR 3,50,00,594

- Project expenses = INR 2,04,56,975

- Balance amount = INR 1,45,43,618

The project is running well and there is robust participation coming in from FOGSI members. The funds are sufficient to last for another one year as per the projections. Dr HD Pai will be outlining the further directions at the Managing Committee Meeting.

### Diabetes Project

- Funds received = INR 57,87,153

- Project expenses = INR 21,55,027

- Balance amount = INR 36,32,126

This is a relatively new project and participation and activities are beginning.

### HPV Project

- Funds received = INR 31,50,000

- Project expenses = INR 22,14,671

- Balance amount = INR 9,35,329

The duration of the HPV project is completed. The balance amount is with FOGSI. Numerous attempts to determine its fate (to be returned or to be used) have been made. However, there is no concrete response from the donor – MSD.

## FROM THE DESK OF JOINT SECRETARY

**Dr. Neharika Malhotra Bora**  
Joint Secretary, FOGSI

As 2018 comes to an end. I am overwhelmed with wave of different emotions.

Happiness, Relief, satisfaction, joy, love, sadness all packed into one

balloon about to burst.

FOGSI has seen me grow; my first conference was when I was 3 years old. Each one of you saw me through school, college and then being a doctor and the support I got from all around made me take this post and I hope, I did justice.

Dr. Jaideep Malhotra was I must say **“A President with a difference”** who just didn't only want to do conferences but she wanted to “bring a change” and to “touch people's hearts” and that's what this journey has been about. As they say-“Only a life lived for others is a life worthwhile”.

AICOG Bhubaneswar with the blessings of Lord Jagannath, we started our year with the first aim to bridge the gap in our fraternity so a beautiful conclave was planned- “FOGSI for FRATERNITY” at the holy venue of Varanasi which helped form a bond of all our office bearers and local societies.

We planned 5 themed conferences which were our YUVAs by our Vice Presidents which were a huge success.

A one of its kind International Women's conclave was done in the Mid-year which focused on liaising with International organizations like FIGO, AFOG, SAFOG, RCOG, RCPI, IAN DONALD SCHOOL, ASPIRE, SAFOMS, WAPM and WHO, UNFPAI, JIPHEGO, USAID, CLINTON FOUNDATION, GATES FOUNDATION and all the sister Indian organizations like IMA, FPAI, ISAR, ISPAT, IMS, IFUMB, INSUOG and others NGOs and of course all relevant departments in GOVT OF INDIA like Health, Human resources, Women, Education etc, plus the P.M.O. This conclave brought a wave of change in the thought process of all and also brought in a positive change in Government of India towards FOGSIANS. This was graced by Shri J.P. Naddaji who gave a powerful message on women's health.

A lot of FOGSI endorsed conferences also happened throughout the year. All our committee chairpersons worked in unity and did tremendous work.

Highlights throughout 2018 were also the social events which we planned. Each of our conference planned a social awareness walk or public forum which were very well appreciated and bridged gap of doctors with local public.

Walks on save the girl child, walk for cancer survivors, walks for Domestic violence, walks for environment- **this year had it all !!**

We left no stone unturned to sensitize everyone towards our environment and green revolution was started. Most of our conferences were paperless, our newsletter was E-newsletter, delegate bags were made of recycled products, all bags had a seed pencil / seed pen so to make people plant trees. Yes! A tremendous amount of time and new ideas were incorporated.

***“Happiness does not come from doing easy work but from the afterglow of satisfaction that comes after the achievement of a difficult task that demanded our everything”***

I can't end this without a long list of people to thank.

First I thank Dr. Jaideep Malhotra (Yeah ! She happens to be my Ma) for really believing in me and pushing me to shine bright. My heartfelt thank you to Jayam Ma'am, Lila Ma'am, Pratima Ma'am, Rajat Sir and M.C. Sir for making me a part of this wonderful 2018.

My big thank you to Dr. Jaydeep Tank, Dr. Parikshat Tank and Dr. Parag Biniwale who patiently explained me all intricate details of the working of the organization. A big hug to all committee chairperson for such fantastic enthusiasm.

Special thanks to FOGSI & ICOG staff for working so hard. I can't thank enough my husband Dr. Rishabh and my little one Neerali and my father Dr Narendra Malhotra and my brother Dr. Keshav Malhotra for being my biggest support.

In the end I would like to thank my complete family (Malhotra's, Bora's & Gulati's), my Rainbow Team (Ravi, Jasmeet, Sadhna, Dr Shally & Dr Diksha) and Jaypee Publishers.

My whole journey has been memorable with beautiful weather, great academics, fabulous evenings and amazing bonding. I have just made a huge family in this year and I know these bonds will be cherished always !

# REPORT OF THE 61ST ALL INDIA CONGRESS OF OBSTETRICS AND GYNAECOLOGY (AICOG), 2018 - BHUBANESHWAR

**Dr. Parikshit Tank**  
Joint Treasurer

## Vital Statistics

Date	17 to 22 January 2017
Venue	Janta Maidan, Bhubaneswar
Program Features	
Delegates	7500
Faculty	1000 (50 international)
Organizing Chairperson	Dr P C Mahapatra
Organizing Secretary	Dr Hara Pattnaik
Treasurer	Dr Janmejaya Mahapatra

## Conference Theme Subjects

• Pregnancy loss – Clinician's Challenge; • Endometriosis – an Enigma; • Contraception – Newer options; • 4<sup>th</sup> Dimension in Obstetrics & Gynaecology; • Miscellaneous

## PreCongress Workshops on 17<sup>th</sup> January 2018

• Vaginal Hysterectomy; • Urogynecology; • 3D Laparoscopy; • Hysteroscopy; • Operative Oncology; • Cosmetic Vaginal Surgery; • Infertility; • Colour Doppler; • Genetic & Foetal Medicine; • Preventive Oncology & Menopause; • High Risk Pregnancy & PPH

## FOGSI Committee Workshops on 18<sup>th</sup> January 2018

Committee	Committee Chairperson
Food and Drug, Medical and Surgical Equipment Committee	Dr Ameya Purandare
Imaging Science Committee	Dr Archana Baser
MTP Committee	Dr Shyamli Sett
Midlife Management Committee	Dr Pushpa Sethi
Practical Obstetrics Committee	Dr Alka Pandey
Endoscopy Committee	Dr Bijoy Kumar Nayak
Gynaecologic Oncology Committee	Dr Neerja Bhatla
Perinatology Committee	Dr Reena Wani

## AICOG Orations

Oration Title	Orator	Topic
FOGSI Amadeus Shreya Oration	Dr C N Purandare	Global Cesarean Section Rates – a dilemma
FOGSI Oration	Dr Alka Kriplani	Evolution and advancements in minimally invasive gynaecology
FOGSI MSD Oration	Dr Gab Kovacs	Implants – a valuable addition to LARC options – Whom, When, Why?

The Dr C G Saraiya CME Programme was held on the morning of 18<sup>th</sup> January 2018. There were about 2500 delegates for the CME. This was convened by the chairperson of FOGSI CME Committee, Dr Hemant Deshpande and the theme was She Matters.

## Venue and Infrastructure

The venue for the 61<sup>st</sup> AICOG was the Janta Maidan. The various committee meetings were held at the venue. Precongress workshops were held at the venue and at hospitals in the city. The venue was customized for the AICOG. There was a large area for electronically automated registrations. The areas for scientific exhibition, food, accompanying person hospitality were well defined. Adequate sized stalls were given for the scientific exhibitions. The area was kept tidy and clean.

## Scientific program

On 17<sup>th</sup> January 2018, 11 precongress workshops were conducted as outlined above. About 2000 delegates were registered for the pre congress workshops. There were live surgical workshops other didactic workshops.

The next day, 18<sup>th</sup> January 2018 consisted of the Dr CG Saraiya CME in the morning and was followed by the FOGSI Committee Workshops in the afternoon. Both the events were well received.

From 19<sup>th</sup> January 2018 onwards, there were extensive scientific deliberations covering the entire subject of Women's Health. The packed academic halls spoke of the technical ability, which Bhubaneswar had to offer, laid out with precision by the scientific committee. The 3 orations, 16 keynote addresses, 200+ lectures, 20 panels, and various debates, live sessions and special sessions enlightened the attendees of the conference. The invited faculty was from various sub specialties of O & G, proving that this conference was a unity in diversity, yet an academic feast. The 800+ free papers were well screened and conducted as free papers, posters and video sessions.

Scientific sessions included the following, the details of which are available in the full scientific program:

• FOGSI Brig S.B Khanna Lecture; • FOGSI - ICOG Dr C.L Jhaveri Endowment Symposium; • FOGSI Dr Jagdishwari Mishra's Lecture; • FOGSI Dr Usha Krishana Quiz; • FOGSI Prize Session; • FOGSI Dr Kamini Rao Yuva Orations; • RCOG session; • FIGO session; • SAFOG session; • AFOG session; • GOI session

## Program highlights

The FOGSI Managing Committee Meeting was conducted on 17<sup>th</sup> January 2018. Various important issues were discussed. It was followed by the Managing Committee Dinner.

The national and FOGSI flag were hoisted on 18<sup>th</sup> January 2018 in the morning at the venue. It was attended by the office bearers, senior FOGSI members, managing committee members and delegates.

The inauguration on 18<sup>th</sup> January 2018 was well attended. Dr Jaideep Malhotra and her team were installed. The chief guest was Shri Navin Patnaik, the Chief Minister of Orissa.

Some highlights of social activities during the event were address by Sr BK Shivani of Brahmakumaris Foundation and march with school children.

Excellent entertainment was arranged for all delegates everyday of the conference and the stars were Amit Mishra and team and a Russian Ballet performance.

The valedictory ceremony ended the conference on 21<sup>st</sup> January 2018.

- All the delegates have been thrilled to be a witness the ultimate academic package that was prepared for them by the Organizing team to fuel the crusade of healthcare for our FOGSIANS

### Dr. Pratima Mittal

Vice Presidents

The year 2018 brought great accomplishments to FOGSI, under the able leadership of FOGSI team including Dr. Jaideep Malhotra, Dr. MC Patel, Dr. Pratima Mittal,

Dr. Leela Vyas, Dr. Rajat Kumar Ray and Dr. Jayam Kannan.

The year started with one unique conference FOGSI for fraternity conclave at Varanasi Panel on Reducing the burden on sexually transmitted Diseases was moderated by me.

1. Keeping in line with the objectives of the foundation to promote young talent, a successful **North Zone YUVA FOGSI** was organised that witnessed an enthusiastic response with whooping registration of 700 delegates, 112 free papers and over 50 surgical videos from the young gynecologists of India.
  - Over 300 delegates participated in various **skill workshops** on Critical care; Fetal medicine with hands on USG model; LSCS hands on model; and Family planning and safe abortion.
  - The first time ever, the **concept of delivering a talk by a Yuva faculty under the mentorship of stalwarts** from their fields, was brought about, in a conducive, interactive and supportive environment.
  - **Novel awards** in the form of trainings/Observership in Critical care in obstetrics & Ultrasound in Obstetrics for 15 days in prestigious institution like Safdarjung Hospital & Rainbow Hospital etc
  - **Pen drive** containing > 30 surgical videos, made by faculty, was released. & published **FOGSI Focus** on Surgical skill in Obstetrics & Gynecology
  - **Interactive session** by stalwart like Dr Shirish Seth, Dr Usha Sharma, Dr Narendra Malhotra, Dr Jaideep Malhotra & Dr Jaydeep tank with all junior delegates on how to develop their skills & enrich their knowledge
  - Cultural program and Dinner organized **in aid of children living with cerebral palsy** and a donation of Rs 51000 was given By NZYF team to Latika Rai foundation working for such children.
  - The contribution of those gynecologists who are working silently for the patients was acknowledged as **“Unsung Heroes”**. Eight of such unsung heroes were awarded by the FOGSI core team and NZYF team for their outstanding contribution
2. Multiple activities were undertaken to widen the diaspora of the society on National and International level.
  - Dr Jaideep Malhotra, Dr Narendra Malhotra and myself had a meeting with honourable Min of Health GOI, Shri Nada ji and apprised him about the aim and activities of FOGSI for the year 2018. The message issued by Honourable Min of Health was conveyed to all the FOGSI Members
  - Coordinated Visit of Health Minister Nigeria the Ministry of Health of Nigeria, Dr. (Prof) Isaac Adewole with FOGSI for providing expert advice on improving health servicers in Nigeria on 11<sup>th</sup> Dec 20
3. Regional meetings **under the aegis of WHO** were organised focusing on
  - Strengthening the capacity in WHO family planning guidelines: Towards universal reproductive health coverage in the SDGs era (17<sup>th</sup>-19<sup>th</sup> April).
  - Standardisation of Quality parameters for Health Services 15<sup>th</sup>-17<sup>th</sup> July 18
  - Reducing newborn mortality with a focus on birth defects reviewing the progress in perinatal surveillance and prevention of birth defects (8<sup>th</sup>-10<sup>th</sup> Aug 18)
  - Expert Group Meeting WHO- ANC Guidelines in ICMR from 25<sup>th</sup>-26<sup>th</sup> Oct 2018
  - International Consultation on Scaling up Kangaroo Mother Care 17-19<sup>th</sup> Dec 18
  - Three quintessential projects with myself as principle investigator are underway. These aim towards improving the neonatal outcomes and establishment of the National Hospital based Birth defect and still birth sentinel surveillance system in Delhi & are funded by the WHO
4. I as Vice president FOGSI coordinated with officials in the Ministry of Health and Family Welfare on various issues as Protocols for antenatal care, Referral protocols, issue of availability of Oxytocin etc .
  - I was nominated as a member Task Force for developing an operational guideline for Primary Care in RMNCH+A services of GOI,
  - Invited as facilitator for Laqshya oriented labor room transformation program for Medical Colleges.
  - Expert Group Member for revision of the EmOC and BEmOC training curriculum, reviewer of IUCD Manual, process Evaluation of PMSMA
  - Member of Technical Resource Group (TRG ) of MOHFW ,GOI and National Trainer MOHFW, GOI on Adolescent Health,

- Member TRG on Comprehensive abortion care(CAC), PPIUCD , Skill Labs Trainings (for improving MNH care for institutional deliveries.)
- TOG Decision Tree for heartburn in pregnancy input from experts was made at Vishakhapatnam and on Premature ovarian insufficiency was made at Mahabalipuram
  - Invited for many Television and Radio programmes in DD, Ddnews, DD Kisan, Lok Sabha channel.
  - I was coordinating with chairpersons of Perinatal Committee, Urogynecology Committee, Sexual Medicine committee, HIV & AIDS Committee and Adolescent Health Committee. Matching up with the pace of the evolving knowledge in various subspecialties, enumerable CMEs, workshops, conferences, school programs, public forums and awareness programs were organised by the different committees of FOGSI across the length and breadth of the country. Renowned stalwarts of the society disseminated their years of acquired experience and knowledge with utmost humility at every organised event.
  - North Zone Societies (N 55) activities were also coordinated. Reports of Delhi Society (AOGD),

These societies conducted various CMEs, workshops, Health walks, Quizes and other large no.of activities. The overall aim was to update the practicing specialists in their field of interest with the recent guidelines to improve the quality of patient care.

- A book on FAQs & Checklist ii Obstetrics.is in the process of being published.
- CMEs on Hypertensive Disorders in pregnancy, UTI and Preterm Labour with assistance from Sun Pharmaceuticals are being held on regular basis in different societies as Bardhman, Bhopal, Faridabad, Koimbatour, Ghaziabad, Bangalore, Ludhiana, Ajmer, Gwalior, Rewari Rajamundri etc.
- Large Number of eligible faculty and practioners identified and motivated to apply for ICOG fellowship a prestigious honour . 55 members from Delhi alone applied. ICOG Fellowship is being provided at Critical Care unit Obstetrics, Safdarjung Hospital.

### Dr. M. C. Patel

Vice Presidents

Report of the Conference

supervised:M M Con 2018(Multiple pregnancies and medical disorders in pregnancy)

Date	18 to 20 May 2018
Venue	Hotel Marriot:Ahmedabad
Program Features	Multiple pregnancies and medical disorders in pregnancy
Delegates	298
Faculty	2 International and 98 National and local
Organizing Chairpersons	1) Dr.M.C.Patel 2)Dr.Jayprakash Shah
Organizing Secretaries	1) Dr.Mahesh Jariwala 2)Dr.Kamini Patel

### Pre-congress workshops on (Date) 18.05.2018

Workshop	Convener	Key Faculty
(1) Ultra sound in multiple pregnancies	Dr.Jayprakash Shah	Dr.Chander Lulla Dr.Ashok Khurana Dr.Chinmayee Ratha Dr.Binodini Chauhan Dr.Janak desai Dr.Jayprakash shah
(2) Medical disorders in pregnancy	DR.Lata trivedi	Dr.Sarina Gilvaz Dr.Rekha Dadhich Dr.Sneha Bhuyar Dr.Rohini Deshpande Dr.Shubhda Neel Dr.J.P.Mour

### Orations

Topic	Speaker
(1)Adbhut Matrutva	Dr.Jaideep Malhotra
(2)Current strategies in PPH management	Dr.S.ArulKumaran

- Dr.J.Ravichandran from Malaysia was one of the international faculty who delivered key note address :Confidential enquiry in maternal death
- Live interaction in each session
- Interesting scientific topics and learned faculties to justify the subject
- Unique entertainment programme by member societies of Fogsio Solo and group performance

### Other FOGSI activities conducted by you.

- Co editor in Fogsio Focus
  - No more litigation please.....February 2018
  - Medical disorders in pregnancy:may 2018
- Did workshop and Cmes to encourage member societies to form Rush team in their respective society so that member can avail services in emergency from member of rush team

- Moderated panel and chaired one session in FIGO conference at Rio De Janeiro

## Dr. Rajat Kumar Ray

Vice Presidents

Report of Conference Supervised

Date	22nd to 24th November'2018
Venue	Sikkim Manipal Institute of Medical Sciences,Gangtok
Programme features	Theme on Preventive oncology and Gynaecologic Oncology
Delegates	430
Faculties	International:-15,National-165
Organising Chairperson	Dr.R.N.Deokota
Organising Chairperson	Dr.Hafizur Rahman

### Pre Congress Workshops

Workshop	Convenor	Key faculty
Gynaecological endoscopy	Dr Hafizur Rahman	Dr GMS Karki , Dr B Ramesh , Dr Rooma Sinha , Dr Bijoy Naik & Dr Subhas Mallya
Ultrasound	Dr Rajat Ray	Dr Narendra Malhotra,Dr P.K.Shah,Dr Rajat Ray,Dr.M.C.Patel, Dr Ezzat Khalda
Colposcopy	Dr Bhagyalaxmi Nayak	Dr Anju Shrestha, Dr Priyankur Roy, Dr Lila Vyas, Dr Chandana Ray Das

### Orations

speaker	topic
Cancer Management beyond treatment	Dr Jaideep Malhotra
Lessons learnt from mistakes:an introspection for Yuvas	Dr P C Mahapatra
Quality, ethics and dignity of our Profession, what is the way forward?	Dr Mriganka Mouli Saha

### Highlights of the Conference

The two day scientific program (on 23rd & 24th November 2018) was held in three parallel running scientific halls. Fifteen international faculties (from USA, Indonesia, Sri Lanka, UAE, Malaysia and Nepal) and 165 national faculties participated as resource persons. Seventy percent of the faculties were YUVAs (<40 years). The scientific program comprised of 35 sessions, 3 orations (Presidential, senior and yuva oration), 4 key notes sessions, 8 panel discussions, 6 debate sessions, one ICOG session and one innovative and challenging video session. A total of 110 abstracts were accepted of which 62 was assigned as oral presentations while 48 was for poster presentations.

### Other activities conducted by me

1. In January, Moderated a panel discussion on Imaging in infertility on 21st January at Bhubaneswar at AICOG,Bhubaneswar.

2. In February,During FOGSI for Fraternity Conclave at Varanasi,Moderated a panel on 'prevention of Cancer'. Also Chaired the session of Oration by President Dr Jaideep Malhotra
3. In March, Participated in USG CME by OGSSI,Chennai on 22nd.Delivered two lectures on Systematic approach to 2nd trimester Scan & Short Cervix
4. In April, at Kolkata,Delivered a lecture on Management of adnexal mass in infertility on 20th & Moderated a panel on pivotal role of ultrasound in assessment of infertile patients on 21st .

8. Was a part of inauguration of Annual Conference of AOGO & 1st National Conference of Society of Vaginal Surgeons of India at Bhubaneswar on 15th June
9. Delivered a lecture at Patna during Genetics & Fetal Medicine Conference on 16th June.Was also a part of inauguration as VP in charge.
10. In July,Delivered a lecture at Udaipur during West Zone Yuva FOGSI Conference on AMTSL
11. In August, Delivered a lecture at Karimnagar during Telengana State O & G Conference on TVS in infertility
12. In September,Delivered a lecture at Vijayawada during South Zone Yuva FOGSI Conference on Scary USG findings at 40. Also chaired the VOGS conference Oration by Prof Sir S Arulkumaran.
13. In October,attended FIGO Congress at Rio,De Janeiro,Brazil & delivered a talk on Assisted Conception in Developing Countries on 16th.
14. In November,During FOGSI-ICOG Conference at Hyderabad delivered a lecture on Understanding Colour Doppler in fetal Medicine on 16th.

A FOGSI Focus on 'preventive oncology' was edited by me & was released during Yuva FOGSI Conference at Gangtok.

### **Dr. Leela Vyas**

Vice Presidents

After installation at Bhubneshwar, team FOGSI 2018 moved forward with their individual as well as joint responsibilities.

First programme was in February, fraternity conclave at Varanasi. Which was indeed a new way to interact with colleagues. I conducted a panel on- "its never too late to learn new technologies"

Which was well discussed amongst panelists and concluded that everyone has right to learn whenever he or she gets opportunity.

Theme of the march month was –NCD. This was focused on detection of NCD among our gyne patients. Many local societies organized NCD camps and public awareness programmes on women's day. The same day visited women cell of central Jail of Alwar city and screening of these women done for NCD.

In mid march, attended the first TOT for "Adbhut Matratva" – dream project of team FOGSI under the leadership of president Dr Jaideep Malhotra.

In April- CMEs on healthy pregnancy conducted in various societies.

In North zone yuva FOGSI conducted a workshop on aesthetic and cosmetic gynecology. In the month of May, an endosuturing training was held for the postgraduate students in collaboration with Ethicon. Where students learnt the basic techniques of the endosuturing.

International women health summit was held in the Gurugram in the month of June. Conducted a panel discussion on adolescent health. Panellists were from medical profession and various fields of society like education field, social workers.

A conference held in Chennai by the chairperson of safe motherhood committee on the same theme. Discussed FOGSI's perspective on safe motherhood.

A healthy mind in a healthy body. This is the need of the time. We celebrated yoga day on June 21st with full enthusiasm and large number of members of the local societies at different places.

In the month of July our most vibrant conference was held

at Udaipur, west zone yuva FOGSI: Art and craft of vaginal delivery. A number of utilitarian workshops were organized for the delegates which were aimed to be helpful in day today practice of obstetricians. The theme of the conference was to enhance the dexterity of the obstetricians in handling variegated emergencies conducting vaginal delivery. Conference was kaleidoscope of topics of the theme. Total registrations in the conference were 788. Out of these, 709 were delegates and rest were accompanying person. Attendance of Postgraduate students were 114 and other yuvas were 250.

Breast-con was organized in the month of august by the breast committee chairperson. theme of the conference was to spread the awareness among the gynaecologists to know the breast is a part of gynaecology.

### **Final quarter report**

FIGO world congress held at Rio de Janeiro, Brazil from 14<sup>th</sup> to 19<sup>th</sup> October 2018. FOGSI organized simulation lab on fluid therapy and inotropics and workshop on III stage of labour and PPH both were successfully organized and huge attendance of delegates were there. Manyata session, which was held on 17th October there had good number of delegates and mind storming session with famous public health researcher Dr Atul Gawande, from USA.

A panel was conducted on how technologies affect the SDG. Honoured to attend the assembly meeting of FIGO and enjoyed the voting right there for the election of new vice president of FIGO

World Diabetes Day, 14th November 2018 was celebrated with Dandh Diabetes Association at Jaipur. A large number of people were screened for diabetes on the day and benefit of life style modification and medical nutrition therapy were told by the experts.

East zone yuva FOGSI was organized at Gangtok, from 21<sup>st</sup> to 24<sup>th</sup> November 2018. A talk was delivered on newer techniques on screening of cervical cancer.

Adolescent health committee chairperson organized a theme conference. A lecture delivered on FOGSI s perspective on adolescent health.

North east annual conference was attended at Imphal. Conducted a workshop on cosmetic and aesthetic gynecology. There was a health walk which was across the Indo Burman border.

### FOGSI Endocrinology Committee

**Chair : Dr Pratik Tambe**  
**Immediate Past Chair :** Dr Anita Singh, Patna  
**Vice President in charge:**

Dr Jayam Kannan (2018)

**Advisors :** Dr Hrishikesh Pai; Dr Nandita Palshetkar; Dr Rishma Dhillon Pai

#### Advocacy

QP-NOS Workshop - Mumbai - 20<sup>th</sup> July

Faculty: Dr Nandita Palshetkar, Dr Pratik Tambe, Dr Sangeeta Pikale, Sudesh Kamat, Shrikant Yatnale, Keshav Malhotra

SOPs for clinicians and embryologists for IUI and IVF/ICSI were debated and recommendations drawn up at this workshop conducted by the Skills India initiative. 20 clinicians and 20 embryologists participated in the same.

#### Knowledge Dissemination

##### CME series on Applied Endocrinology in Clinical Practice

Key highlights: 3-4 talks by eminent national faculty of 20-30 mins each followed by a panel discussion of 60 mins; accredited for 2 ICOG credit points. A diverse range of topics was covered including - but not limited to – thyroid disorders in pregnancy, hormonal evaluation in infertility, adolescent acne, hirsutism and PCOS, gestational diabetes, screening and labour management, safe ovarian stimulation protocols, luteal phase support in ART, prevention of preterm labour and role of vitamin D as a multifaceted hormone. There were panel discussions on interesting case scenarios, abnormal uterine bleeding, enhancing success in IUI cycles and safety and efficacy in ART. 25 CMEs were conducted countrywide: In association with the Mumbai Obs Gyn Society (MOGS)

and Maharashtra Chapter of ISAR (MSR)

#### Date : Venue: Attendance

30<sup>th</sup> June : Juhu, Mumbai: 50; 12<sup>th</sup> Aug: BKC, Mumbai : 75; 31<sup>st</sup> Aug: Mulund, Mumbai: 60; 2<sup>nd</sup> Sept : Bhayandar, Mumbai : 75; 6<sup>th</sup> Oct : Mumbai: 60;

#### In association with other FOGSI Societies

3<sup>rd</sup> June : Varanasi: 80; 8<sup>th</sup> July: Kolkata: 100; 11<sup>th</sup> Aug : Lucknow : 90; 12<sup>th</sup> Aug : Kalyan : 60; 1<sup>st</sup> Sept : Coimbatore : 125; 16<sup>th</sup> Sept : Bhubaneswar : 75; 27<sup>th</sup> Sept : Thrissur : 80; 7<sup>th</sup> Oct : Visakhapatnam : 120; 10<sup>th</sup> Oct : Noida : 60; 13<sup>th</sup> Oct : Panvel, Raigad : 50; 14<sup>th</sup> Oct : Trichy : 75; 26<sup>th</sup> Oct : Hosur : 75; 27<sup>th</sup> Oct : Raipur : 100; 28<sup>th</sup> Oct : Bhopal : 75; 3<sup>rd</sup> Nov : Aurangabad : 100; 4<sup>th</sup> Nov : Vashi, Navi Mumbai :60; 1<sup>st</sup> Dec : Kochi : 100 (PreCongress Workshop at Annual Conference); 14<sup>th</sup> Dec : Jaipur : 75 (PreCongress Workshop at RAJOGCON Panelist for a panel discussion on Recurrent Pregnancy Loss moderated by Dr Bhaskar Pal

#### Collaboration with other Committees of FOGSI

24<sup>th</sup> June : Bhayandar, Mumbai: 50 (in association with Midlife Mx Committee); 8<sup>th</sup> Sept : Bhayandar, Mumbai : 60 (in association with Midlife Mx Committee)

#### Training and Education

Thyroid in Pregnancy e-learning course on www.omnicuris.com, the FOGSI online education partners. Held two training programmes on the New Guidelines for PCOS Management which were released in July 2018.

- 21st and 22nd July – West Zone YUVA FOGSI Panel discussion.
- 4th and 5th August – Participated in BREASTCON.

### Advocacy/Knowledge Dissemination/Training Activities

Designed a half day CME module on Urinary Tract Infection and conducted in 5 cities.

RAJAMUNDRY, BURDWAN, SHIMLA, LUCKNOW, RAJKOT

### Knowledge Dissemination

Information Booklet on –

- Stress Urinary Incontinence
- Urge Incontinence
- Urinary Tract Infection

### Coordination with IMS

- A talk on ‘prevention of incontinence and pelvic organ prolapse’ and a panel discussion on ‘stress incontinence’ - Indian Menopause Society (IMS), Bhagalpur on 29th and 30th September - SWASTHACON-2018
- A talk on ‘urinary incontinence with video presentation of surgical procedure’ – MENOPAUSECON-2018 at Raipur on 9th December
- A talk on ‘OAB and interstitial cystitis’ – IMS West Zone conference Ahmedabad on 16th Dec

### Coordination with SOGOG

- Talk on ‘Evaluation of a case of urinary incontinence with video presentation of surgical procedure’ – 7-8th October 2018 at SOGOG annual conference – Jamnagar
- Coordinator for live station in FIGO 2018 ON 15TH October
- Talk on PPH algorithm at FOGSI-ICOG –PPP Hyderabad -17 November 2018

## Food and Drugs & Medico Surgical Committee

**Chair: Dr. Vidya.A Thobbi**

### ACADEMIC ACTIVITIES:

CME 11/2/18 1st prog.in Bagalkot  
Dr Vidya Thobbi talk on "Ulipristal in the management of fibroids; 100 delegates

CME on Medicolegal issues on 11/3/18 in Aurangabad Food drugs and medicosurgical Equipment committee;187 delegates

CME in Chandrapur on 08/04/2018 Interactive session with adolescent age group by Dr.Manisha Ghate 192 delegates

CME IN BIJAPUR ON AUB Held on 22.04.2018.Dr Vidya A Thobbi talk on "Abnormal uterine bleeding" 72 DELEGATES

CME on HIE on 23/4/2018 in Ashwini Hospital Bijapur by Dr Vidya Thobbi.

Womens health awareness activity prog by Dr Mary & Dr Susan on 26.04.2018 by Nagarcoil OBGYN society 9/5/2018

CME On Psychiatry and Gynaecology in Thrissur, by TOGS,Dr.Shobhana Mohandas ON 13.05.2018 under fogsi

CME on interactive session on MTP act & PCPNDT act,on 24/06/18 by Chandapur society along with MTP Committee

Int. conference critical care in obstetrics Bangalore 1.07.18  
Dr Vidya Thobbi,talk on "HDU need of the hour" :206 delegates

CME on orientation on MTP &Medical abortion for chemists to prevent misuse of drugs By Dr .Arathi Bidar 6.07.2018

CME on :What Doctors Expect from Pharma Representatives" held on 12.07.2018 in West Bengal

CME on Gynaec cancer screening,Dr.Vidya A Thobbi talk on prevention of ca cervix & its screening 08/7/18 , Dharwad

CME ON Preterm And Hypertensive Disorders In Pregnancy By Dr.Rohini deshpane on 8/7/18 .

CME on Redefining Definite Solutions in Vulvovaginal Infections on 19/07/18 in Bijapur delegates attended 104.

Adbhut matrutva programme held on 23.07.18 Dr.Vidya A Thobbi holds a talk on "FOOD AND NUTRITION"

CME drugs in pregnancy on 29.07.2018 in Tumkur Dr.Vidya Thobbi talk on :-"HRT IN MENOPAUSE" delegates 128

Diet exhibition held on 6th& 7th September 2018 in Nagpur, By Nagpur Obstetric & Gynaecological society

CME on newer vaccines in pregnancy Dr.Mini Gopal-NOGSCON 2018

CME in NAVODAYA MEDICAL college, Raichur Dr.Vidya Thobbi holds a talk on induction of labour..

5, 6, 7th October at S.Nijlingappa medical college, Bagalkot Kasoga;talk by dr Vidya Thobbi on medical management of fibroid.

CME on ovulogens & IUI on 15th September,2018 at New Delhi By Dr.Anita Rajorhia

Timely referral for IVF, optimising IUI rates and roles of genetic testing in RSA . Discussion on ovulation induction protocols35 delegates attended on 7/10/2018 Dr Nivedita Dutta.

### RESEARCH:

Comparative study of oral iron vs intravenous iron sucrose in pregnant women

A randomized placebo – controlled multi-centre trial of Myoinositol in the prevention of GDM

Study of ferric ammonium citrate in rise of haemoglobin in antepartum:postpartum period.

## Adolescent Health Committee

**1. Chair: Prof. Dr. S. Sampath Kumari**

2. Vice President in Charge: Dr. Pratima Mittal

3. Advocacy: Adolescent Health & Hygiene, Menstrual & Sexual Health, Nutrition, Mental Health & stress, Vaccines & Contraception, Spirituality

4. Training Activities: At Schools & Colleges

1. CMEs; 2. Guest Lectures – 20; 3. Rallies – 8; 4. School Programs – 58; 5. Youth Programs – 31

5. Involvement in Research

Published articles in 3 indexed journals

a. Menstrual Health among Chennai Slum adolescents.

b. Obesity in association with usage of Electronic Media among Adolescent Girls in Urban (Chennai) Schools

c. Reproductive Health Problems and Health seeking Behaviour among Adolescent Girls in Villupuram Dist.,

6. Coordination with other committees / bodies

a. Programs with Youth Cell, Young Talents Promotion Committee

b. CMEs with OG Societies – Aurangabad, Shrirampur, Jalgaon, Trichy, Tiruvannamalai, Patna & Chennai

7. FOGSI National Adolescent Health Conference on Dec 7 – 9th 2018 at Chennai

## Genetics & Foetal Medicine Committee

Chair: Dr Pragma Mishra Choudhary

### TRAINING ACTIVITIES

- Workshop on Foetal Imaging & Foetal Medicine Session 17<sup>th</sup> & 19<sup>th</sup> Jan 2018, Bhubaneswar
- Foetal Echo Class, 26<sup>th</sup> 27<sup>th</sup> Jan18, Bangalore (Dr Prathima Radhakrishnan – South Zone Coordinator )
- CME on Foetal Nutrition, 18<sup>th</sup> February, 2018, Patna
- Foetal Medicine Session, ISOPARB Annual Conference, 10 – 11 March, 2018, Mumbai
- CME in Ara, Bhojpur, 15<sup>th</sup> April, 2018
- Genetic Workshop, SFM, 29<sup>th</sup> April, Kolkata (Dr Kushagradhi Ghosh & Dr Seetha Pal- East ZC
- FOGSI-ISPAT Mega Conference - Genetic & Foetal Medicine, 16<sup>th</sup>17<sup>th</sup> June, Patna 500 Delegates
- FOGSI ISPAT CME, Basic Genetics for Obstetrician & Newborn Screening , 8<sup>th</sup> July, Patna
- Training Course on Colour Doppler, 29<sup>th</sup> July, Patna
- Foetal Medicine Session, Gestosis, 28<sup>th</sup> July, 2018, Nagpur
- Panel on Prediction & Prevention of Stillbirths, RCOG East Zone Conf, 29<sup>th</sup> July , Kolkata

• Foetal Ultrasound Programme, November, Bangalore (Dr Prathima Radhakrishnan – South ZC)

• FETUSCON 2018, 28<sup>th</sup> October, Organised by Jabalpur Obst. & Gynae Society

• Society of Foetal Medicine, Workshop on 3<sup>rd</sup> Trimester Scan, 11<sup>th</sup> November, 2018, Kolkata (East Zone Coordinator , Seetha Ramaurthy Pal )

### 1. ADVOCACY

• Met with obstetricians from peripheral areas of Bihar such as Ara and Bhagalpur regarding the setting up of preconception clinics in their districts.

• Met with members of IMA Bihar branch to discuss raising of funds for essential preconception screening tests.

Dr.Jayam Kannan

### ADVOCACY WORK:

- On January 6, 2018, awareness program on toilet usage and safe disposal of infant faeces was conducted at K.Palayam panchayat, Thuraiyur, Trichy along with a NGO called SCOPE headed by Mr.Subburaman. Potties were distributed to 50 mothers. 40 programs represented by the 40 committee members were conducted throughout the country in the month of March. The programs conducted were radio talks, awareness programs in schools and colleges, awareness programs for middle age in women self help groups, panel discussion in medical college on "conceptualising women", antenatal health camp, marathon, awareness program for nurses, awareness camp in corporation dispensary, Kollattam dance, Kolam competition, eco-friendly methods of napkin disposal,eco-friendly toilets distribution, Oath taking for women empowerment,fraternity meeting and rallies. Conducted a role play for paramedical staff on GDM at 2<sup>nd</sup> Congress of South Asia Initiative for Diabetes In pregnancy [SAIDIP]- Bengaluru held in May.

### COORDINATED WORK:

- Installed as the President of Menstrual Hygiene Management Consortium in June 2018.On the 26<sup>th</sup> of July, 100 teachers and 20 SHG trainers were honoured on the occasion of GURU PURNIMA. They were presented with a gift and a plaque. On the 27<sup>th</sup> of July, along with Indira Gandhi College for women, health camp for 150 SHG members was conducted. Stalls were put up for the sale of the products of SHG members and the public were invited for the program.

Competitions were conducted for college students, NSS students and SHG members on menstrual hygiene. The competitions were on slogans, mime, group songs etc.

### RESEARCH WORK:

- Part of FOGSI research on pre-conception care and also a part of FOGSI research on menopause. A Study on ovarian reserve in different zones of the country with 10 investigators has been planned in 2018.The study will be on "correlation of physical characteristics with ovarian reserve in sub-fertile women". In 2018, a survey on gender bias is being conducted among adults in self help groups. The same questionnaire used in the adolescent population is being utilized for adults. A comparison of both groups will yield results on gender bias in the country.
- Conducted the free papers session at IAGE conference, Chennai with OGSSI held on 31<sup>st</sup> March and April 1<sup>st</sup> 2018. On the 27<sup>th</sup> of July, health camp for 150 SHG members was conducted. Data collection was done.
- Presented the paper on "What do young girls in India think about gender bias?" at the XXII FIGO CONGRESS, which was held from 14 to 19 at Rio Centro, Brazil. PUBLICATIONS:
- Published an article on "Jaundice in pregnancy" in the North Asian International Research Journal" in January 2018.
- The study on abortion services has been published with the title "Would Abortion Services in India Benefit From Lesser Hurdles" as an "Original Article" in volume 5/issue 41/Oct 08, 2018 in the Journal of Evidence Based Medicine and Health care.Published an article on "Metabolic health in midlife" in the FOGSI FOCUS on Midlife management released in South zone Yuva FOGSI, Vijayawada in September 2018.

MEMBERS ...45 MEMBERS CONFIRMED

PAC did continuous efforts in spreading awareness and education to the masses. We represented almost all the major conferences of FOGSI, starting from AICOG Bhubaneswar with a walk for girl child. In NZY Dehradun, a Public Forum and walk were conducted. Every month three major activities were done jointly by the societies all over India. Chief activities amongst them are cancer cervix detection camp, menstrual hygiene awareness camp, violence against women awareness campaign, plantation drive, yoga for doctors, RTI Awareness workshop, marathons for different causes, brand mascot AWAREENA release, slogan competition, breastfeeding promotion week, infection prevention week celebration. Many prizes were also given away to encourage societies and individuals as well. All the reporting

was simultaneously done to President FOGSI.

We worked in collaboration with Midlife Management Committee, breast committee FOGSI, rotary, army, CRPF, Lions club, NGOs like Nazariya, GTR, NIINE and with everybody's cooperation, awareness to almost thirty thousand people was created.

WE DID MANY PROGRAMS AND RECEIVED THREE AWARDS ALSO .PRESIDENT FOGSI APPRECIATION AWARD , GOVERNOR'S HER AWARD ,

SAVE THE GIRL CHILD AWARD BY MINISTER SMT REETA BAHUGUNA JOSHI

APPRECIATION AWARD FROM RTI COMMISSIONER FOR RTI WORKSHOP.

MANY WALK FOR AWARENESS ARRANGED INCLUDING IDCA AGRA WALK

Thalassemia awareness walk Delhi

PCOS AWARENESS walk Delhi

IMMUNIZATION AWARENESS IN WOMEN DONE AT MASS LEVEL

CANCER AWARENESS AND MENSTRUAL HYGIENE PROGRAM DONE AT CRPF HEAD QUARTER AND PLANNED TO AWARE 3.4 LACS FAMILIES OF CRPF.. WITH SPECIAL DUTY SECURITY FORCE SDG INVOLVEMENT WHICH WILL BE A MAJOR BREAKTHROUGH IN AWARENESS

2 JANUARY A NATIONAL MOVEMENT PLANNED TO SAVE THE GIRL CHILD AND HOPEFULLY AROUND 140 FOGSI SOCIETIES TAKING PART ...

**Chairpersons:** Dr. Rajat Mohanty, Vice President, FOGSI, Prof. (Dr.) Bharati Mishra, Dr. Ritanjali Behera & Dr. Indira Palo

**Moderator:** Dr. Sanjay Swain.

**Panelists:** Dr. Nina Mishra, Dr. Sushanta Ku Behera, Dr. Pranati Mishra, Dr. Premapriya Jena, Dr. Sudha Beborata, Dr. Debabrata Sahoo, Dr. Astha, & Dr. Dibya

**12.01.2019:** 63<sup>rd</sup> AICOG-2019, Bengaluru

**Guest Lecturer**

**Theme:** Infections that matter

**Topic:** Diagnosis of HIV in Pregnancy, NACO Guidelines

**Speaker:** Dr. Mrutyunjay Mohapatra, Chairperson, HIV & AIDS Committee, FOGSI

**17.02.2019:** IMACON Odisha 2019, Bhadrak, Odisha

**Chairperson:** Dr. Basanta Ku. Pradhan & Dr. Durga Ch. Dasmohapatra

**Topic:** Post Exposure Prophylaxis in HIV

**Speaker:** Dr. Mrutyunjay Mohapatra, Chairperson, HIV & AIDS Committee, FOGSI

**27.02.2019:** Workshop on HIV & AIDS at KIIMS, Bhubaneswar, Odisha

**Inauguration:** By Brig. (Dr.) S. K. Rath, Professor & HOD, Department of OBGYN, KIIMS, Bhubaneswar

**Speaker:** Dr. Mrutyunjay Mohapatra, Chairperson, HIV & AIDS Committee, FOGSI

**Topic:** Diagnosis of HIV infection in Pregnancy

**Speaker:** Dr. Narahari Agasti, Asso. Prof., Obst. & Gyn., KIIMS, Bhubaneswar, Odisha

**Topic:** Treatment of HIV infection in women – Recent NACO Guidelines

**Panel discussion:**

**Topic:** 21st Century PPTCT guidelines and other viral infections in pregnancy.

**Chairpersons:** Brig (Dr.) S. K. Rath, Dr. J. J. Mallick & Dr. Rajat Mohanty, Vice President, FOGSI

**Moderator:** Dr. Sanjay Swain.

**Panelists:** Dr. Nihar Ranjan Bhoi, Dr. Tapan Patnaik, Dr. Sasmita Dash, Dr. Sibabrata Patnaik, Dr. R.K. Panda & Dr. Banya Das

63<sup>rd</sup> AICOG 2019, Bengaluru

Workshop at MKCG MCH, Berhampur

IMACON Odisha 2019, Bhadrak

### East Zone Yuva FOGSI 2018 – Gangtok

Date	22nd to 24th November 2018
Venue	Sikkim Manipal Institute of Medical Sciences
Program Features	35 sessions, 3 orations (Presidential, senior and yuva oration), 4 key notes sessions, 8 panel discussions, 6 debate sessions, one ICOG session and one innovative and challenging video session
Delegates	430
Faculty	80 national faculty members
Organizing Chairperson	Dr. R. N. Deokota
Organizing Secretaries	Dr Hafizur Rahman

#### Precongress Workshops on 22nd November

Workshop Title	Convenors and Key Faculty
Gynaecological endoscopic Surgery	Dr GMS Karki (Nepal), Dr B Ramesh (Bangalore), Dr Rooma Sinha (Hyderabad), Dr Bijoy Naik (Delhi) and Dr Subhas Mallya (Calicut) 85 delegates attended
Colposcopy	18 faculties and live demonstration of 8 cases were also done by the faculties which was attended by over fifty delegates.
Imaging in Gynaecology (Gynaecologic oncology imaging & daily Obstetrics USG,)	10 national faculties presented their scientific deliberations, with live demonstration of 8 cases. The imaging workshop was attended by 45 delegates.

Street play ‘Nukkad Natak’ was performed by Postgraduates for saving the girl child which was presented in the awa.

## Report of EmOC Training Program by Dr. Prakash Bhatt

EmOC program which was running since 2006 in partnership with Government of India – Ministry of Health and Family Welfare (Maternal Health Division), FOGSI and program management support from Avni Health Foundation came to a formal end in 2017 after completing 11 successful years. The purpose of the program was to train MBBS doctors in comprehensive obstetric management, whom the State health dept may then post at FRUs, Delivery points, 24X7 PHCs so as to attend the emergencies relating to pregnancies and child birth, thereby prevent the maternal and infant deaths and thus help in reducing the MMR and IMR in the medium and long terms.

Given below are our cumulative achievements since we began the program implementation.

### Cumulative Achievement till September 2017

S.no	Description	Target Given by GOI	Achievement
1	Setting up Nodal Centers for Training of Master trainers	03	06
2	Setting up of Tertiary center for training MBBS doctors	20	34
3	Setting up of District Hospital training center for MBBS doctors	160	258
4	MBBS doctors trained	2000 (5 year)	1824
5	Master trainers trained	Nil	221
6	District Hospital Master trainer trained	Nil	403

EmOC program was one of the many programs that GOI had initiated to reduce MMR in India, and EmOC a path breaking initiative, contributed to the overall reduction in MMR.

## Report of FIGO initiative in Safe Abortions – India (Report) by Dr. Atul Ganatra

### Our Aim is to conduct a survey

- To check on the number of centers that have successfully introduced MVA for incomplete abortions
- To check on the number of hospitals providing safe abortion services within the limit of the Law
- The number of centers which include MA and MVA or both in their teaching Programme in OBG
- The number of centers that have introduced post abortion contraception in their practices
- The number of women who leave the hospital using a contraceptive method after abortion atleast in select hospitals

**Conceptually and policy wise yes, but practically not in all institutions.**

**Lack of Resupply of kits most important challenge**

### Work to be done

- Resolve difficulties faced by our members due to the POCSO Act
- Improve access to 1st & 2nd trimester abortions

especially in adolescents and patients with congenital anomalies

- Conduct Workshops on MMA & legal aspects of Safe abortions
- Legalize use of MMA in the 2nd trimester ( Cipla Initiative )
- Educate our members post abortion contraception
- Improve knowledge & access of LARC

### Report

#### FIGO Initiative on the Prevention of Unsafe Abortion

##### South/South East Asia

A meeting was held in Rio, Brazil with the Regional Coordinators and Country focal points on 15th October at the Grand Mercure Hotel in room Rio De Janerio 2. The meeting was presided by Prof Anibal Faundes and Dr. Jaydeep Tank, Chair of the Working Group. The achievements of the FIGO Initiative till now and challenges for the future were discussed.

The participants from the South/South East Asia region included Dr. Mangala Dissanayake from Sri Lanka, Dr. Haleema Yasmin from Pakistan, Dr. Fersousi Begum from Bangladesh besides Dr. Basab Mukherjee as Regional Coordinator of the region from India.

### Report of FOGSI FIGO PPIUCD by Dr. Hema Divakar

The International Federation of Gynecology and Obstetrics (FIGO), embarked upon its ambitious program to Institutionalize Immediate Post-Partum Intra

Uterine Contraceptive Device (PPIUCD) services to improve maternal and child health outcomes, and contribute towards the reduction of maternal mortality and morbidity across six countries, including India.

In India, the program held tremendous importance as it was in line with GOI's new strategic direction to contribute towards the reduction in maternal, infant and child mortality. FIGO along with The Federation of Obstetrics and Gynaecological Societies of India (FOGSI), Family Planning Division - Ministry of Health and Family Welfare, Government of India (GOI), Avni Health Foundation and six centers (Government medical college – Surat, Topiwala National Medical College & B. Y. L. Nair Charitable Hospital – Mumbai, The Nowrosjee Wadia Maternity Hospital– Mumbai, College of Medicine & JNM Hospital– Kalyani, JSS medical college and hospital – Mysuru and Chittaranjan Seva Sadan and Sishu Sadan Hospital– Kolkata) began implementing the institutionalization of immediate Post-Partum IUCD services program in May 2015.

Development of a training curriculum, providing the equipment's/materials (Kellys forceps, CuT 375/380), training the teams using both didactic and hands on practice on anatomical models, counselling of the pregnant mothers and her family members, repeated counselling during the three Antenatal checkups, before delivery and within 48 hours of delivery, taking of consent, certification of those trained, recognition of the service providers for motivating them, advocacy with on-field health care assistants, monitoring the program and communication done regularly were key activities carried out for the program and make it successful.

Between May 2015 and December 2018, the six centers had created a pool of 1136 PPIUCD trained service providers. PPIUCD insertion was done under aseptic precautions within 10 minutes of delivery of the placenta or intra-Caesarian section or at 48 hours after delivery. Kelly's forceps and Cu T 380 A/ Cu T 375 A were used. Insertion was done by doctors and staff nurses trained in the procedure.

A total of 261,757 pregnant women were counselled on family planning options, 136,342 women were delivered, a PPIUCD was inserted in 29,949 women (22% as percentage to the number of deliveries) and 16,007 women were followed up post insertions. It is noteworthy to mention here that at

the six centers the percentage insertion of PPIUCD was ranging between 0.5 - 2% before the commencement of the program. Further, 0% cases of perforation, 3-5% removal/expulsions were recorded.

- FIGO awarded three PPIUCD centers GMC – Surat, JNM – Kalyani & Nair - Mumbai the “Good Practice in PPIUCD” certificates for their hard work, dedication and achievements.
- Municipal Corporation Greater Mumbai – Public Health dept awarded, Nair – Mumbai 1st rank amongst all municipal hospitals of Mumbai for achieving the highest PPIUCD insertions.
- JNM -Kalyani demonstrated that PPIUCD offtake can exponentially increase with the involvement of the nursing staff in counselling and vaginal insertions.
- 4P's framework, namely Period, Provider, Periodicity, Partner was developed and implemented by us to improve PPIUCD uptake in women.
- India work and contribution was featured and acknowledged through the following six publications in the prestigious “International Journal of Gynecology & Obstetrics” in October 2018.
  - o ‘The impact of using nurses to perform postpartum intrauterine device insertions in Kalyani Hospital’, ‘Factors influencing the likelihood of acceptance of Postpartum Intrauterine Devices (PPIUD) across 4 countries: India, Nepal, Sri Lanka and Tanzania’ and ‘FIGO postpartum intrauterine device initiative: Complication rates across six countries’.
  - o ‘Factors influencing the likelihood of acceptance of postpartum intrauterine devices across four countries: India, Nepal, Sri Lanka, and Tanzania’, and ‘Planning and implementation of a FIGO postpartum intrauterine device initiative in six countries’.
  - o South to south collaboration between India and Bangladesh ‘Impact of contraceptive counselling training among counsellors participating in the FIGO postpartum intrauterine device initiative in Bangladesh’.

Planning, training, repeated counselling, regular program monitoring, innovation, management, support and guidance from GOI, FIGO, FOGSI, AVNI and whole-hearted participation by the six centers were critical success factors for this achievement.

# REPORT OF INDIAN COLLEGE OF OBSTETRICIANS AND GYNAECOLOGISTS - (ICOG) OF FOGSI

**Dr. Shantha Kumari**  
Chairperson, ICOG

**Dr. Uday Thanawala**  
Vice Chairperson, ICOG

**Dr. Parag Biniwale**  
Secretary, ICOG

**Dr. C. N. Purandare**  
Dean, ICOG

The chief objectives of ICOG Activities were to promote education, training and to spread knowledge in the field of Obstetrics and Gynaecology and to popularize the ICOG nationally and internationally. In keeping with this, the main activities from January to December 2018 were as follows:

- 1. ICOG Convocation:** The ICOG Convocation was held on January 20, 2018 during the 61st All India Congress of Obstetrics and Gynaecology at Bhubaneswar, Odisha. Hon'ble Dr. Justice Arijit Pasayat, Judge Supreme Court of India (Retd) was the Chief Guest, Prof. Lesley Regan, President RCOG was conferred Honorary Fellowship. Prof. Carlos Fuchtnr, President Elect FIGO was unable to attend due to some urgent personal work but he will invite for next year's convocation. Total 132 new Fellows, 1 International Member, 6 new Member were conferred the Fellowship and Membership of ICOG. Also 1 ICOG Emcure Pharma Travel Awardee, 6 Toppers of ICOG Certificate Course training exams in Reproductive Medicine, Gynaecological Endoscopy, USG, Fetal Medicine of January and July 2017 batches were felicitated. New ICOG office bearers were installed as Dr. S Shanthakumari, Chairperson, Dr. Uday Thanawala as Vice Chairperson and Dr. Parag Biniwale as Secretary.
- 2. FOGSI-ICOG Dr. C. L. Jhaveri Endowment Symposium 2017:** FOGSI-ICOG Dr. C. L. Jhaveri Symposium was scheduled during 61st AICOG at Bhubaneswar, Odisha on January 19, 2018 from 2.30 p.m. to 4.00 p.m. Dr. Mala Arora, Dr. Sushma Pandey, Dr. S. Shantha Kumari and Dr. Bhaskar Pal, Vice President of FOGSI had chaired this session. Topic: "She matters. Care. Educate. Transform". Speakers were Dr. Ameet Patki, Dr. Durga Shankar Dash, Dr. Parag Biniwale, Dr. Vidya Bhat and Dr. Neerja Bhatla with their subjects as Have We reached the crossroads in Management of PCOS, Silently Suffering Spouse - Are we bothered?, Adolescent health services - what more can we do?, Role of endoscopy in women's health and Cervical Cancer Control: Dream or Reality?.
- 3. Combined MICOG-MRCOG Part 1 examine:** January 29, 2018: 11th MRCOG Part 1 examination was done at Kolkata and Mumbai centres. Total 2 candidates were cleared out of 7. The names of successful candidates were as Dr. Ashvini Gaikwad and Dr. Mugdha Rustagi.

May 16-18, 2018: 12th Refresher course was attended by 15 candidates at FOGSI office for July 2018 batch

of exam. Dr. Alka Prakash, UK was the RCOG faculty and National Faculties were Dr. Shantha Kumari, Dr. Parag Biniwale, Dr. Mala Arora, Dr. Krishnendu Gupta, Dr. Bhaskar Pal, Dr. Suchitra N. Pandit, Dr. Zeenie Ginn and Dr. Dilip Kumar Dutta.

July 2, 2018: 12th MRCOG Part 1 examination was done at Bangalore and Mumbai centres. Total 11 candidates were cleared out of 15. The names of successful candidates were as Dr. Aastha Aggarwal, Dr. Amrutha S K G, Dr. S. Aiswarya, Dr. Smitha Mannepalli, Dr. Sumeet Somani Baheti, Dr. Suvigya Gupta, Dr. Swati Shree, Dr. Tarang Preet Kaur, Dr. Mansha Singh, Dr. Spenta J. Sumondy and Dr. Soniya Rajput.

Dec 9-11, 2018: 13th Refresher course was attended by 5 candidates at FOGSI office for January 2019 batch of exam. Dr. Alka Prakash, UK was the RCOG faculty and National Faculties were Dr. Uday Thanawala, Dr. Krishnendu Gupta, Dr. Bhaskar Pal, Dr. Suchitra N. Pandit, Dr. Parikshit Tank and Dr. Sarita Bhalerao. Also Dr. Mandakini Megh, ICOG G C member supervised the course on last day.

- 4. MRCOG Part 2 examine:** May 20-22, 2018: 1st Refresher course for MRCOG Part 2 exam was attended by 9 candidates at FOGSI office, Mumbai. Dr. Zeiad El-Gizawy, UK faculty and National faculties were Dr. S. Shantha Kumari, Dr. Parikshit Tank and Dr. Chinmayee Rath.

July 3, 2018: 1st MRCOG Part 2 examination was done at Banglaore and Delhi centres. Result yet to receive.

- 5. Combined MICOG-MRCPI Part 2 examine:** Due to some issues with MCI, MRCPI exams put on hold in India for the year 2018 and once it clears ICOG will get clear idea about it. Dr. C. N. Purandare, Prof. Krishnendu Gupta and Dr. S. Shantha Kumari have invited as an examiner for MRCPI exams in Abu Dhabi in November 14, 2018 which is good achievement for ICOG.
- 6. Result of ICOG Election is as follows:**  
For the year 2019: Chairperson Elect: Dr. Mandakini Megh, Mumbai and Vice Chairperson Elect: Dr. Parul Kotdawala, Ahmedabad.
- 7. ICOG Certificate Course:** Lot of applications received for various training from all centres. Total four applications for new centre recognition received in 2018 and Dr. T Ramanidevi, Trichy centre recognized

in Reproductive Medicine and total three are yet to recognize in due course namely as Dr. Nutan Jain, Muzaffarpur (in Reproductive Medicine), Dr. Renu Singh Gahlaut, Kanpur (in Endoscopy) and Dr. Atul Munshi, Ahmedabad (in Endoscopy).

January 2018:

Sr. No.	Certificate Course in	Date of Examination	Name of Centre	Examiners
1	Reproductive Medicine	January 5, 2018	Dr. Prakash Trivedi, Mumbai	Dr. Mala Arora Dr. S. Shantha Kumari
2	Gynaecological Endoscopy	January 7, 2018	Dr. Vidya Bhat, Bangalore	Dr. S Shantha Kumari Dr. Rahul Manchanda
3	Ultrasonography	cancelled		
4	Fetal Medicine	January 4, 2018	Dr. S. Shantha Kumari, Hyderabad	Dr. Chinnmayee Rath Dr. Jamuna Devi

Total 71 candidates in all certificate course appeared for the exam and 53 were cleared the exam. The top candidates in each certificate course were Dr. Hina Ali, Lucknow, Dr. Gunjan Ku Saxena, Gurgaon and Dr. Viral M. Pandya, Ahmedabad who all felicitated at the time of ICOG Convocation was held at Bhubaneswar during 61st AICOG 2018.

July 2018:

Sr. No.	Certificate Course in	Date of Examination	Name of Centre	Examiners
1	Reproductive Medicine	July 11, 2018	Dr. Prakash Trivedi, Mumbai	Dr. S. Shantha Kumari Dr. Ameet Patki
2	Gynaecological Endoscopy	July 15, 2018	Dr. Vidya Bhatt, Bangalore	Dr. Rahul Manchanda Dr. S Shantha Kumari
3	Ultrasonography	cancelled		
4	Fetal Medicine	July 14, 2018	Dr. Jaydeep Tank, Mumbai	Dr. Uday Thanawala Dr. Vandana Bansal

5	Vaginal Pelvic Reconstructive Surgery	cancelled
---	---------------------------------------	-----------

Total 67 candidates in all certificate course appeared for the exam and 52 were cleared the exam. The top candidates in each certificate course were Dr. Fasiha Tasneem Abdul Aziz, Dr. Preeti Bala Singh and Dr. Radhika Pusuloori who all felicitated at the time of ICOG Convocation was held at Bhubaneswar during 61st AICOG 2018.

8. **Report on 4th ICOG FOGSI National Conference on Principles, Practices and Protocols in Obstetrics and Gynaecology to be held on Nov 16-18, 2018 at HICC, Hyderabad:** It was in association with Obstetrics & Gynaecological Society of Hyderabad (OGSH). The Conference was a grand success with many eminent National personalities representing FOGSI as faculty and attracted huge number of delegates from all over India. 300 National & Local Faculties from across the Country took part in the scientific deliberations. The Scientific deliberations proved an academic feast. On 16th November 2018, there were four important workshops at various halls as Obstetrics - Skills and Drills, Survival Skills in Gynecology, Workshop on Infertility, Reality and Practicality, Maternal Fetal Medicine: Prenatal diagnosis and Therapy. On 17th & 18th November 2018, the conference at various halls included Symposiums, Panel discussions, Keynote Addresses, Orations, Plenary sessions, T O G - Decision Tree, Labour room protocols and policies, Manyatha JHPIEGO, Research Projects, Law and Ethics, Scientific Writing and Data analysis, Free Paper sessions, Scientific exhibition, Trade fair and Cultural programme. Dr. S. Shantha Kumari gave the Conference Oration, ICOG Dr. C. S. Dawn Oration delivered by Dr. Mala Arora, Imm. Past Chairperson ICOG, ICOG - Professor Krishnendu Gupta Endowment Conference Oration on Women's Health delivered by Dr. Jaideep Malhotra. Dr. S. Shantha Kumari, Member, FIGO Working Group on Violence against Women (VAW) has initiated DHEERA, "Say No to Violence Against Women". #### **PICSEP activities held in 2018:**

Under this project ten workshops on Science of Research Methodology were held in following member societies

of FOGSI : **Bokaro** – held on 8<sup>th</sup> August 2018 – National Faculty, Dr. Alka Pandey ; **Lucknow** – held on 18<sup>th</sup> August, 2018 – National Faculty Dr. Kavita Agarwal ; **Odisha**- held on 25<sup>th</sup> August 2018, National Faculty, Dr. Hiralal Konar ; **Bengaluru** – held on 1<sup>st</sup> September, 2018, National Faculty, Dr. Geetha Balsarkar ; **Thane** – held on 15<sup>th</sup> September, 2018, National Faculty, Dr. Suvarna Khadilkar ; **Allepey** – held on 20<sup>th</sup> October, 2018, National Faculty, Dr. Anahita Chauhan ; **Shillong** – 3<sup>rd</sup> November, 2018, National Faculty, Dr. Arun Nayak ; **Coimbatore** – held on 16<sup>th</sup> December 2018, National Faculty, Dr. Madhuri Patel ; **Varanasi** – held on 23<sup>rd</sup> December, 2018, National Faculty, Dr. Mala Srivastava; **Pondicherry** - held on 24<sup>th</sup> February, 2019, National Faculty, Dr. Sujata Dalvi.

FOGSI sanctioned Rs.1,00,000/- towards the expenses of each workshop, of which Rs.50,000/- were sanctioned as expenses to the organizing society and Rs.50,000/- towards the traveling expenses and one day stay of the invited national faculty.

Editor – In – Chief (EIC), Dr. Suvarna Khadilkar, introduced the new category of the articles from March/April 2018 issue. **(1) Pictorial Essay** – In this authors may send in their contribution of exclusive unique and exceptional clinical pictures which should be of academic and/or practical interest to readers, **(2) Systematic Reviews/Meta-Analysis** – It should discuss, review and enlighten readers about all the available literature on the subject. **(3) Invited Debate** – In this the authors should present differing views about a controversial issue of interest to readers.

EIC, Dr. Suvarna Khadilkar, introduced the new cover design for the Journal, and for JOGI Website she had done the mega makeover in terms of appearance and login security. The system has been restricted only to the FOGSI members which was not been strictly followed earlier. The EIC Dr. Khadilkar had decided from March/April 2018 issue onwards the TOC of the particular issue will also have the abstract of the articles included in it and the said file will be sent to all the members through a link via SMS. Once the member clicks the link received he/she will get the abstract file of the entire issue and if the reader wants to read the full text then again a link to the JOGI website will be provided at the end of the page where they would require to log in with their registered email ids and password.

EIC, Dr. Suvarna Khadilkar had a meeting on 24<sup>th</sup> August 2018 with Springer representative Ms Eti Dinesh and discussed about the progress and information regarding indexing of the Journal in MEDLINE.

EIC, Dr. Khadilkar represented JOGI at a workshop on medical writing, at Regional conference of FIGO and International Journal of Gynec and Obst., in Dubai on 11<sup>th</sup> April 2018. She was invited to give a talk on “How to avoid Plagiarism for authors.”

#### Thanks:

The Journal Committee takes this opportunity to thank all its Peer Reviewers for their excellent and prompt service rendered during the year.

## स्वास्थ्य बजट और नेतृत्व की नई रेखा खींचेगा एचआईएलए

कील यूनिवर्सिटी लंदन के साथ मिलकर हैल्थ इकोनोमी एंड लीडरशिप मैनेजमेंट कोर्स शुरू कर रही फॉग्स

ड डॉ परमेश्वर

आगरा। फेडरेशन ऑफ ऑब्स्टेट्रिक एंड गायनेलॉजिकल सोसायटी ऑफ इंडिया, फॉग्स की ओर से पॉडिचेरी, मिलनाडु के ओशियन स्काई होटल में 17 से 19 अगस्त तक फॉग्स लीडरशिप शिखर सम्मेलन आयोजित किया गया। इसमें स्वास्थ्य बजट और नेतृत्व व्यवस्था पर विशेष रूप से चर्चा की गई। दुनिया भर से आए इस क्षेत्र के विशेषज्ञ इस चर्चा का हिस्सा बने। सम्मेलन से लौटने के बाद डॉ. जयदीप मल्होत्रा ने बताया कि कील यूनिवर्सिटी लंदन के साथ मिलकर फॉग्स हैल्थ इकोनोमी एंड लीडरशिप मैनेजमेंट, एचआईएलए कोर्स शुरू करने जा रही है। इसमें स्वास्थ्य बजट और नेतृत्व संबंधी समस्त पहलु समाहित किए जा रहे हैं। इसी की रूपरेखा तैयार करने को इकराबन 200 से अधिक स्त्री रोग विशेषज्ञों को साथ लेकर यह तीन दिवसीय सम्मेलन आयोजित किया गया है। आगरा के वरिष्ठ स्त्री रोग विशेषज्ञ डा. नरेंद्र मल्होत्रा भी इस

सम्मेलन का हिस्सा थे। डा. जयदीप और डॉ. नरेंद्र के नेतृत्व में 80 से अधिक डॉक्टरों को हैल्थ इकोनोमी एंड लीडरशिप का प्रशिक्षण दिया गया। डॉ. नरेंद्र ने बताया कि पिछले कुछ समय में भारतीय अर्थव्यवस्था विश्व की सबसे तेजी से बढ़ने वाली

अर्थव्यवस्था में नुसार हो गई है, लेकिन दूसरी ओर देखें तो आजादी के सात दशक बाद भी देश में स्वास्थ्य क्षेत्र की स्थिति अभी भी चिंताजनक बनी हुई है। हालांकि भारत स्वास्थ्य देखभाल व्यवस्था के क्षेत्र में नवरचनाओं के अक्सर तलाश रहा है और

इसके लिए साझेदारी की जा रही है। यह एक विविधताओं से भरपूर और भौगोलिक रूप से विस्तृत जनसंख्या वाला देश है जहाँ वास्तव में जीवनशैली से संबंधित रोगों की नैदानिक देखभाल में उत्कृष्टता लाने की जरूरत है। यहाँ हैल्थ सिस्टम में नए

हैल्थकेयर निदान की मांग पहले से अधिक बढ़ गई है। भारतीय हैल्थकेयर अग्रिम कंपनियाँ ऐसे निदान की तलाश जुटे हैं जो लागत को सीमित करते हुए दूरदराज इलाकों में रोगियों तक पहुंचने तक की मदद कर सकें और ज्यादा निजी हैल्थकेयर प्रदान कर सकें। उन्होंने कहा हम भाग्यशाली हैं कि आगरा में रहते हुए इन बड़े मामलों को दुनिया के सामने रका अवसर मिल रहा है।

**यथा है एचआईएलए**

यह एक अभिनव और सूचक कार्यक्रम जो आपको स्वास्थ्य बजट और सेवाओं पर विश्व में पहुंचाने से संबंधित है। चिकित्सकीय ज्ञान और गुणवत्ता सुधार और महत्वपूर्ण जानकारियों प्रदान करे **इसमें कौन हिस्सा ले सकते हैं**

बौद्धिक और उच्च स्तरीय स्वास्थ्य से संबंधित प्रवृत्तियों जो स्वास्थ्य सेवाओं में सुधार इच्छा रखते हैं।
