Date : 7th - 8th June 2025 Venue : Chancery Pavillion

Message from the President, FOGSI

Dr. Sunita Tandulwadkar

President, FOGSI 2025

“Ek Rashtra, Ek Mission – Swasth Nari, Samruddha Vatan”

**Dr. Sunita
Tandulwadkar
President FOGSI**

It brings me immense joy to extend my heartfelt wishes to the Bangalore Society of Obstetrics and Gynaecology on the occasion of your Presidential Conference – HOPE 2025: Harnessing Obstetric Practice for Excellence in High-Risk Pregnancy, to be held on June 7th and 8th at The Chancery Pavilion, Bengaluru.

The chosen theme, “Promote Women’s Health – Every Age, Every Stage,” is deeply aligned with FOGSI’s national mission to ensure comprehensive care for women across their entire lifecycle. Focusing on high-risk obstetrics and critical care is the need of the hour, and I am delighted to see this academic initiative addressing the complexities that challenge us every day in clinical practice

The skill enhancement workshop, meticulously designed with stations on intensive care, obstetric emergencies, and neonatology, reflects a true commitment to upgrading hands-on competencies. I am confident this conference will offer a rich exchange of knowledge, stimulate new thinking, and most importantly, reinforce our collective resolve to elevate standards of care for every woman we serve.

Though I regret not being physically present with you, my spirit and support are with the dynamic team of BSOG. I assure you, I will be with you soon and look forward to many more academic collaborations in the future

Wishing HOPE 2025 grand success and meaningful outcomes!

With warm regards,

Dr. Sunita Tandulwadkar

President, FOGSI 2025

BSOG President's Welcome Message

Dr. Mangala Devi K R
President BSOG

Dear Delegates,

On behalf of the Bangalore Society of Obstetrics & Gynaecology (BSOG), it is with great joy and anticipation that I welcome you to **HOPE 2025 – Harnessing Obstetric Practice for Excellence in High-Risk Pregnancy**, to be held on June 7th and 8th, 2025, at the elegant Chancery Pavilion, Bengaluru.

This FOGSI Presidential Conference, is a celebration of knowledge, skill, and innovation in managing high-risk pregnancies with an ever-growing emphasis on improving maternal and neonatal outcomes.

Our scientific program is both broad and deep, curated by an enthusiastic team of experts. You can look forward to a diverse range of sessions – from the **Knowledge Café exploring RPL & AIRD** to high-impact presentations across topics of fetal medicine, critical care, and obstetric advancements. The conference will also feature **free paper and poster presentations**, providing a platform for budding researchers and clinicians to share their work.

We are proud to welcome renowned **national and international faculty**, including distinguished names from the UK, USA and Australia, who bring with them a wealth of clinical expertise and research insight.

One of the highlights of HOPE 2025 is our **Skill Enhancement Obstetric Critical Care Workshop**, featuring seven stations focused on intensive care, obstetric emergencies, and neonatology. This hands-on experience will empower delegates with practical skills essential in the **management of high-risk obstetric cases**. As President of BSOG, I warmly invite you to be a part of this dynamic and engaging conference. Come, learn, network, and contribute to the shared vision of excellence in women's healthcare.

With warm regards,

Dr. Mangala Devi K R

President, Bangalore Society of Obstetrics & Gynaecology
