# Welcome Message

"International Summit on Women's Health and Rights (Online)" is being organized by Federation of Obstetric & Gynaecological Societies of India (FOGSI) in association with Mumbai Obstetric & Gynaecological Society (MOGS) from 31st July - 1st August 2025. It would be a premier platform bringing together leading obstetricians, gynecologists, midwives, healthcare workers and professionals to discuss advancements, challenges, and holistic approaches in women's health and rights. This event will feature expert sessions and panel discussions covering clinical innovations, preventive care, reproductive health, and digital health solutions. This Summit shall ensure wide accessibility and engagement with the aim of fostering collaborative learning, evidence-based practice, and patient-centered care to improve women's health outcomes.

This Summit will have Faculty participation from gynaecologists who are members of leading national and international organization. This would be directed at delegates from India and neighbouring Low and Middle Income Countries (LMIC) where on-ground access to conferences is difficult due to travel & financial constraints. Reaching these delegates and enriching them with the scientific knowledge will contribute significantly to advancing women's health and upholding women's rights globally.
