Welcome Message

Dear Friends,

Welcome to FOGSI South Zonal Conference with YUVA 2025!

YUVA FOGSI Conferences were begun in 2001 to encourage the participation of Young Obstetricians and Gynaecologists in academics and research and give them a platform to share their knowledge. YUVA FOGSI Conferences are held in all the 4 zones of India every year.

Covai Obstetrics and Gynaecology Society (COGS), having been bestowed with the privilege of conducting the South Zonal Conference with YUVA warmly welcomes you to the Queen of Hill Stations – OOTY from 20th – 22nd June 2025.

New Innovations and Controversies are the norm in any field. The New Concepts are subjected to analyses and accepted on the basis of evidence as Guidelines and Concepts. Accordingly, the Theme of our Conference is “Controversies, Consensus and Current Concepts” with the aim of “Setting Standards High”.

We are looking forward to bringing together Stellar thinkers with rich experience in our field and the ever Enthusiastic, young, budding Obstetricians and Gynaecologists to shower us with knowledge and render a reverberating experience.

The venue of the conference Ooty is a resort town in the Western Ghats. It was founded by the British as a summer resort in 1799. There are many places which reminds us about the colonial past even today– The Nilgiris Mountain Railway, The Stone House, St. Stephen Church of the 18th Century and the sprawling Botanical Gardens which provide a pleasing visual treat.

Ooty is well-connected by Road, Rail and Air via the Coimbatore International Airport.

COGS is eagerly awaiting your arrival for this Prestigious conference at a Picturesque Venue “The Sterling Resorts”.

We will strive to meet the expectations of the Delegates and Faculty by not only orchestrating an Academic Extravaganza but by also providing a memorable Family Retreat.

It's a pleasure to extend a warm welcome to all the Faculties and Delegates.
