Coordinator

Dr. Aastha Aggarwal

Recognizing a significant gap in endoscopic training across medical colleges, FOGSI has re-energized the EAGLE Project (Every Aspiring Gynecologist Learns Endoscopy) in 2025 under the visionary leadership of Dr. Sunita Tandulwadkar, President of FOGSI and the original founder of the initiative. First launched in 2019 during her tenure as President of IAGE, the project has now evolved into a nationwide movement aimed at strengthening postgraduate education in endoscopy. This renewed phase is being implemented in collaboration with IAGE, under the leadership of its current President, Dr. Kalyan Barmade, bringing together academic excellence and surgical expertise to transform gynecological training across the country.

The EAGLE Project delivers structured and accessible endoscopic training through one-day live operative workshops conducted at medical college-affiliated hospitals. Each program integrates comprehensive didactic lectures, hands-on training using pelvic simulators, and live hystero-laparoscopic surgeries, offering postgraduate students and young gynecologists valuable real-time clinical exposure. Notably, the initiative also extends its impact to patient care by providing free, advanced gynecological surgeries during the workshops—ensuring that expert surgical intervention reaches underserved communities at their doorstep.

The successful execution of this visionary initiative is being led by the FOGSI Endoscopy Committee, under the able leadership of Chairperson Dr. Sejal Naik. Operational coordination is efficiently managed by a dedicated team comprising Dr. Subhash Mallya, Dr. Santwan Mehta, Dr. Ritu Jain, Dr. Aastha Aggarwal and entire EAGLE team. The collaborative efforts of skilled faculty members, department heads, local organizers, and the continued support from valued industry partners have collectively contributed to making the EAGLE Project a nationally impactful and widely appreciated endeavor.

In the month of June alone, the EAGLE Project was successfully conducted across 15 medical colleges nationwide. The June month was started by celebrating the 75th - EAGLE project - the diamond jubilee celebration at Udaipur RNT Medical College on 3rd June. To date, a remarkable 89 EAGLE programs have been completed, providing structured endoscopic training to over 4,500 gynecologists. This large-scale academic initiative has been supported by the invaluable contributions of more than 250 expert faculty members, who have collectively demonstrated over 600 advanced gynecological surgeries using endoscopic techniques.

We extend our sincere appreciation to every individual and organization whose unwavering support has made this transformative journey possible. Through collective effort and shared vision, we are redefining the landscape of gynecological endoscopy and elevating the quality of women's healthcare across the nation—impacting one student, one surgery, and one institution at a time.

Learn in your own environment. Grow with your community. Practice with purpose to make a difference.

The project's impact is evident in the numbers:

	TOTAL	JANUARY 2025	FEBRUARY 2025	MARCH 2025	APRIL 2025	MAY 2025	JUNE 2025
MEDICAL COLLEGES IN ALL ZONES	89	7	14	17	23	13	15
FACULTIES CONTRIBUTED	284	23	47	50	63	50	51
SURGICAL PROCEDURES DEMONSTRATED	626	33	98	115	184	84	112

June Projects Details

June began with the Bang:

Diamond Jubilee of Dedication, Learning & Meaningful Impact

1. 3rd June 2025, RNT Medical College, Udaipur, Rajasthan

► Reaching New Horizons : The Diamond Eagle!!

Udaipur RNT Medical College EAGLE Project marked a significant milestone with its 75th project celebration. 6 laparoscopic surgeries demonstrated to 70 PG students, enhancing their skills. Interactive lectures, Quiz and hands-on training was provided. Expert insights shared, lending a complete learning experience.

To Dr. Sunita Tendulwadkar ma'am, Dr. Kalyan Barmade sir, and Dr. Sejal Naik ma'am: We're deeply thankful for selecting RNT Medical College, Udaipur, as the venue for the Diamond Jubilee Eagle program. This initiative will undoubtedly bring immense value to the medical community.

- To Dr. Sangeeta Sen ma'am and the RNT Team: Your tireless efforts in organizing and making all necessary arrangements for this program are commendable. Your dedication and commitment are the backbone of this initiative's success.

- Dr. Pradeep Bandwal
Secretary Udaipur society

2. 6 JUNE 2025, Dr. Rajendra Prasad GMC, Tanda, Kangra, Himachal Pradesh.

► Healing with Precision

"8 laparoscopic surgeries, 60 participants, 1 comprehensive learning experience."

We pay our gratitude to FOGSI & IAGE for sponsoring the event. We thank operating surgeons and their support staff who tirelessly worked for this event to happen. Thanks all once again.

-Prof. Dr. Amit Gupta, College Coordinator

3. 6th June 2025, Father Muller Medical College, Mangalore, Karnataka

► Meaningful Learning, Lasting Impact!!

"45 PG students gained expertise in endoscopy. 11 live laparoscopic surgeries, lectures, Hands-on training with guidance & quiz, all wrapped in as a perfect PG Teaching Programme." 11 surgeries were performed (4 TLH, 2 bilateral dermoid cystectomy, 1 Myomectomy (9 cm), 4 hysteroscopic surgeries including polypectomy and Myomectomy.

4. 14th June Lal Bahadur Shastri GMC, Mandi, Himachal Pradesh

► **Mastering Endoscopy, Advancing Women's Health**

Comprehensive endoscopy training for PG students. 7 live surgeries, lectures, E- Poster & Quiz Competition. Expert guidance and hands-on experience. Skills refined.

The project EAGLE has now taken so many medical colleges of India under its wings. Himachal Pradesh has particularly been lucky that it will be I think the first state in India to cover all its medical colleges under it. I am humbled and honoured at the same time to be part of this prestigious project.

Dr. Sandeep Singh Rathore, Project Coordinator & Operating Faculty

5. 18 June 2025- Govt. Mohan Kumaramangalam Medical College, Salem, Tamilnadu

► **"Eagles Vision, Born to Inspire": Illuminating paths and motivating students**

The workshop's interactive format and live surgeries enabled PG students and faculties to gain practical experience and deepen their understanding of laparoscopic techniques.

We sincerely thank operating faculty for sharing their knowledge with us. Your dedication and approachability made a lasting impression. Looking forward to more such enriching interactions

Dr. Subha Periasamy, HOD ObGyn GMKMCH, Salem, TN

6. 18 June 2025- HBT Medical College & Dr. R. N Cooper Hospital, Juhu, Mumbai, Maharashtra

► **When the goal is excellence, the journey starts with training.**

A total of 14 endoscopic surgeries were demonstrated to PG students of the institute. Detailed case discussions and step wise procedures were taught by the expert faculties.

It was a very nice experience there was so much to learn actual and new facts regarding endoscopy even theoretical knowledge given, was also of much help. Seeing all the procedures happening so well motivates you to learn more about it and one to become a good laparoscopic surgeon as good as that to achieve that state. There was so much information given during workshop, good theoretical information was given, it has inspired to learn more about laparoscopy and become a laparoscopic surgeon.

Postgraduate Residents

7. 22 June Government Medical College, Datia, Madhya Pradesh

► Embodying True 'Eagle Spirit' - Pushing Boundaries, Reaching New Heights & Defying Limits!!

Despite torrential rain, waterlogging, electric failure, our Live Endoscopic Operative Workshop at GMC Datia on June 22, 2025, was a resounding success. 5 endoscopic surgeries were flawlessly executed with the help of 16 participants, exemplifying the Eagle Spirit of resilience and excellence.

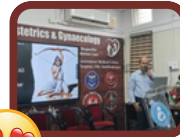

Thank you so much for organizing such a wonderful operative workshop under FOGSI EAGLE Project. All the lectures were very informative and presentations were concise and easily understandable. The hands on experience was very good. OT experience was amazing. All faculties were patient and kind when answering questions. It was a great experience to see live OT and to know about instruments and anatomy. The quiz session was very much fun and interactive and the questions were well crafted related to the conference topics, making it a valuable learning experience. Overall the experience was awesome.

Dr. Ayushi Aggrawal, PG 2nd year

8. 25 June Government medical college Aurangabad, Maharashtra

► Illuminating Women's Health with Endoscopy

With stalwarts of field as teachers, EAGLE at GMC, Aurangabad saw enthusiastic participation and hands on training to the budding gynecs, past- president IAGE honoring the workshop was like a cherry on the cake

Heartiest congratulations the team - dept of OBGY for wonderful organisation of the EAGLE project. It was a mesmerising experience to be part of this project and operate in our own college after 25 years !!! Thank you so much for the wonderful opportunity-

Dr. Pandit Palaskar, Past President IAGE, Operating Faculty at GMC, Aurangabad Eagle

9. 25 June 2025- Gayatri Medical college, Visakhapatnam, Andhra Pradesh

► Empowering Gynaecologists with Endoscopic Excellence

This marks the 5th successful EAGLE project in Andhra Pradesh, with total 9 endoscopic surgeries performed successfully. Postgraduates had the opportunity of hands-on experience and also participated enthusiastically in quiz and end trainer sessions.

10. 25 June, Shatabdi Medical College, Mumbai, Maharashtra

► Women's Health Care, Reaching New Horizons!!

Eagle workshop empowered the young medical professionals with cutting-edge skills, featuring live surgeries, quiz and interactive sessions that enhanced their expertise. Graced by Vice-President IAGE, Dr. Sudha Tandon, herself, it was treat for the young students!!

A big thanks to FOGSI & IAGE for conducting this workshop here. Thanks to faculty Dr. Saldana, Dr. Pai, Dr. Aditi, Dr Amrita, for teaching the students in today's workshop. We had a great experience n successful day.

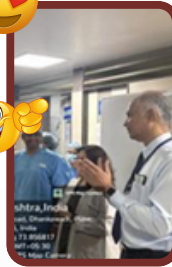

•Dr. Siddhi Kore, HOD ObGyn, Shatabdi medical college, Mumbai

11. 27 June, Bharati Vidyapeeth Deemed University Medical College, Pune, Maharashtra

► "Surgical Excellence Soars"

Through 7 live surgeries and interactive sessions, Eagle laparoscopic workshop equipped PG students with the skills and confidence to excel in their field.

Thank you all for your kind cooperation, it was an excellent Surgical workshop. All seven cases done uneventfully

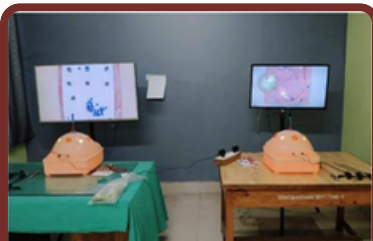

Dr. Salil Barsode- College Coordinator, Bharati Vidyapeeth Deemed University Medical College, Pune, MS.

12. 28 June, North Bengal Medical College and hospital (NBMCH), Siliguri, West Bengal

► Eagle Project: Elevating Endoscopic Care

Eagle workshop successfully bridged the gap between theory and practice, providing PG students with the skills and knowledge to excel in laparoscopic surgery.

Thank you for another wonderful EAGLE Project. Thank you for the wonderful opportunity to participate and witness some amazing surgeries. The PGTs were so enthusiastic and interested in the project. Their eagerness to learn was amazing to watch. HOD sir and Sandeep Sir were so helpful and active from the early morning till the end of the day. It was so inspiring. In the end it was a fulfilling experience. A heartfelt thanks to everyone for making it a success.

Dr. Sanghamitra Thakur, Operating Faculty

13. 28 June, Srinivasan Medical College, Samaya Puram, Tiruchirappalli, TamilNadu

► Postgraduate Education in Gynaecological Endoscopy: A New Horizon

Eagle Laparoscopic workshop was a hit in the distant region of the state! It truly fulfilled the purpose the project of reaching the distant regions.

I express my gratitude to the esteemed surgeons Dr. Gnanashankar, Dr. Priya and Dr. Vanitha who travelled 3-6hrs to enlighten us with their knowledge

Dr. C Lavanya, Programme Co-ordinator & Treasurer TRIOGS.

14. 28 June Malabar Medical College, Kozhikode, Kerala

► Learn, Grow, Excel in Endoscopy!!

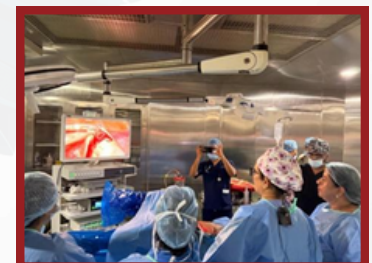

5 surgeries demonstrated endoscopically to total of 32 delegates, with Postgraduates doing some basic steps in endoscopy like trocar placement suction irrigation and diagnostic Hysteroscopy

15. 29 June, KVG Medical College, Sullia Dakshina Kannada, Karnataka

► Crafting Tomorrow's Surgeons with Today's Expertise

A live hands-on endoscopy workshop was successfully conducted, featuring 7 live surgeries for 40 young gynaecologists and 20 faculty members. The event inaugurated the New Laparoscopic System in their hospital. Participants received hands-on training with the Hysteroscopy Simulator and Endotrainer. Key feedback included requests for more hands-on sessions and a pre-conference Suturing and Ergonomics Masterclass.

UPCOMING PROJECTS IN JULY, 2025

Sr. No	Date	Medical College	Coordinator	HOD
1	10 July	MIMR Medical College, Talegaon (D), Pune, Maharashtra	Dr. Sachin Vedpathak	Dr. Vaishali Korde Nayak
2	10 July	Indira Gandhi Medical College, Shimla, Himachal Pradesh	Dr Piyush vohra Dr. Sandeep Singh	Dr Rita Mittal
3	17 July	Shardha university (School of Medical Sciences & Research), Greater Noida, Uttar Pradesh	Dr. Kanika Jain Dr. Aastha Aggarwal	Dr. Archana Mehta
4	17 July	Bettiah Medical College, Bihar	Mukta Agarwal	Dr Malvika Kumud
5	19 July	NRI Medical College, Manglagiri, Andhra Pradesh	Dr. Kiranmai G V	Dr Gangadhar Rao
6	19 July	AIIMS, Kalyani, West Bengal	Dr. Avir Sarkar	Prof. (Dr.) Subrat Panda
7	19 July	Bharat Ratna Babasaheb Ambedkar Hospital, Mumbai	Dr. Ashwini Kalyankar	Dr. Nimish Tutwala
8	19-20 July	KAHER'S JN Medical college,Belgaum, Karnataka	Dr MB Bellad	Dr.Yeshita Pujar/ Dr MB Bellad
9	20 July	Lohia institute of Medical sciences lucknow, Uttar Pradesh	Dr Akansha	Dr. Neetu Singh Dr. Ram Manohar
10	23 July	SMIMER,Surat, Gujarat	Dr. Sejal Naik	Dr. Ashwin Vachhani
11	24 July	Goverment Medical College, Surat, Gujrat	Dr. Sejal Naik	Dr. Ragini verma
12	28 July	Vydehi Medical College, Bengaluru	Richa Pal	

We encourage everyone to participate in this unique academic initiative and contribute to its ongoing success.
