It gives us immense pleasure to welcome you to the **FOGSI Presidential Conference – STAR Sampoorna 2025**, being held at **JW Marriott, Pune on 14th, 15th & 16th November 2025**.

With the theme “**STAR – Strategy, Transformation, Advancement & Research for Comprehensive Women’s Health**,” this conference is envisioned as a confluence of knowledge, innovation, and collaboration. Our aim is to provide a holistic platform that spans the entire spectrum of women’s health – from adolescence to motherhood to geriatric care – blending evidence-based science with real-world practice and community impact.

The scientific program has been carefully curated to offer cutting-edge updates, multidisciplinary perspectives, and transformative ideas that will shape the future of women’s healthcare.

Beyond academics, this meeting is also a celebration of connections, camaraderie, and the shared vision of creating healthier lives for women everywhere. We hope you will find this conference not just enriching, but also inspiring and memorable.
