Welcome Message

Dear FOGSIans,

Warm Greetings from Obstetrics and Gynaecological Society of Visakhapatnam.

As we are moving closer to the much awaited D Day, Visakhapatnam, beautiful city placed between the roar of Bay of Bengal and the echo of the Eastern Ghats, is ready to play host to the distinguished **FOGSI Presidential Conference, Waves 2025** on **May 17th and 18th, 2025** at Radisson Blu Resort.

The organizing committee put together lot of efforts to design a great scientific program with invited speakers of eminence. Let us all get ready to listen to the Masters and Maestre as they share their knowledge, memories, the way they manoeuvre difficult cases, professional challenges, and dispel doubts and brim our brains with knowledge.

This congress will promote highest standards of training and practice, foster research, recognize distinguished contributions and will be a fine resource for 'her' good health.

Our traditional Andhra hospitality awaits to take care of all the participants. You could learn, relax and renew your commitment during the two day conference.

We are eagerly waiting to meet all of you at this grand professional spectacle and be at your service !

Best Regards

HOST CITY INFORMATION

Visakhapatnam is renowned for its picturesque beaches, including RK Beach, Rushikonda Beach and Yarada Beach which attract numerous visitors. The city is also home to the Eastern Naval Command of the Indian Navy, underscoring its strategic maritime importance. Cultural landmarks such as the Simhachalam Temple and the Buddhist sites of Thotlakonda and Bavikonda highlight its rich heritage. Visakhapatnam's diverse geography includes hills like Kailasagiri, offering panoramic city views, and the Kambalakonda Wildlife Sanctuary, which showcases its natural beauty. The city's economy thrives on industries such as steel production, shipbuilding, and fishing, contributing significantly to its growth. Visakhapatnam's blend of natural beauty, historical significance, and industrial development makes it a unique destination on India's east coast.
