Dear Presidents of AOFOG Member Societies,

I am pleased to inform you that the **AOFOG – KSGO Young Gynae Oncologist Programme**, which was stalled due to the COVID-19 pandemic and recommenced in April 2025, will be held again in 2026. This was informed by Prof. Jae-Kwan Lee, President of the Korean Society of Gynecologic Oncology (KSGO) which will be held during the **KSGO International Conference 2026, April 3–4, 2026 at COEX Magok in Seoul**.

We would like to receive nominations from the member societies for the programme. Nominees should be Gynaecologists specialising in gynaecological oncology the age of 40 years or below on the 1st of January 2026. As we would like to distribute the participants among the AOFOG member countries only one nominee would be entertained from one country.

Kindly send the duly completed application form (attached) to the KSGO 2026 Secretariat (email: ksgo2026secretariat@gmail.com) and copy the AOFOG Secretariat (secretariat@aofog.net) **by January 31, 2026**. Applications received after this deadline will not be considered.

An outline of the program is also attached for your reference.

With kind regards,

Yours sincerely,

Dr. Rohana Haththotuwa
Secretary General-AOFOG
