When We Envisioned The Academic Calendar For This Year, Our Goal Was To Shift Away From Broad, Generalized Conferences And Move Toward Deeply Focused, Skill-enhancing Platforms. Fetal Medicine Represents The Absolute Cutting Edge Of Our Specialty. The Decisions We Make And The Anomalies We Detect During Those Crucial Early Weeks Shape The Entire Trajectory Of A Family's Life.

Over The Next Two Days, We Have Brought Together The Finest Minds In The Country To Share Evidence-based Approaches, Practical Diagnostic Pearls, And Hands-on Simulator Training. No Distractions, No Overlapping Tracks—just Pure, High-yield Learning Designed To Upgrade Your Daily Clinical Practice.

I Want To Extend My Heartfelt Gratitude To The Cochin And Periamthalmanna Society , Ifumb And The Organizing Team For Their Meticulous Planning And Warm Hospitality. Please Engage Actively, Challenge The Experts, Make Full Use Of The Workshop Stations, And Enjoy The Wonderful Camaraderie.

Message From Secretary General FOGSI

It Is My Distinct Privilege And Honor To Welcome You All To The Fetal Medicine Conclave 2026, Held In The Scenic, Historic City Of Cochin On August 1st And 2nd.

As Secretary General, It Fills Me With Immense Pride To See Our Community Gather For What Promises To Be A Deeply Focused, High-impact Scientific Feast. Fetal Medicine Is Transitioning At An Extraordinary Pace; The Fetus Is No Longer Just A Passive Passenger, But A Patient In Its Own Right. From Advanced First-trimester Screening To Complex In-utero Interventions, Our Responsibilities As Clinicians Are Expanding Daily.

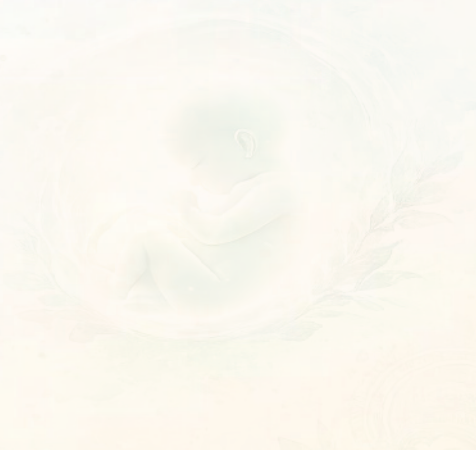

This Conclave Is Intentionally Designed Around A "single-hall, Deep-dive" Concept, Complemented By Hands-on Simulator Stations. We Wanted To Eliminate The Dilution Of Multi-track Sessions So That Every Delegate Can Absorb, Discuss, And Master These Clinical Updates Together.

Beyond The Cutting-edge Science, I Hope You Take A Moment To Immerse Yourself In The Rich Culture And Serene Backwaters Of Cochin. May This Event Spark Great Conversations, Forge Lifelong Collaborations, And Empower You With Skills That Directly Improve Prenatal Care Back Home.

Welcome To Cochin, And Welcome To An Extraordinary Two Days Of Learning!
Warm Regards,

Dr. Suvarna Khadilkar
Secretary General
