Editorial Guidelines for Presented Content:

Submission Criteria

1. Participants are invited to submit an abstract for consideration by the 12th SICOG 2023 Scientific Committee.
2. Only abstracts submitted online will be accepted. Abstracts submitted by fax, email or paper copy will not be considered.
3. The 12th SICOG 2023 will consider works presented at previous non-SICOG congresses. Authors must indicate if the work has previously been presented, both at the point of submission by ticking a box in the submission form, and disclose this during their final presentation, if chosen for it.
4. An abstract would be considered for E-Poster Presentation or Oral Presentation. The Committee reserves the right to decide on the final method of presentation for selected entries. Acceptance notification will reach authors via email by 18 June 2023.
5. If an abstract is selected, at least one author must be a paying congress registrant and attend the Congress.
6. Abstract (400 words) should contain the following categories (Background - Material & Methods - Results - Conclusion). Please ensure that you select a correct poster category.

What information do I need to submit?

- The full title of your submission (max 50 words)
- Your abstract (max 400 words). You might want to include: Background, Methods, Results and Conclusions.
- If you are submitting a case report abstract, please include the following information: Introduction, Clinical Description, Discussion and Conclusion
- Permission from all authors, and any patients, to submit the abstract
- Names of all authors (up to a maximum of 10)
- Affiliations of all authors
- Name and main email address of the presenting author
- Subject category which best describes your submission
