From the desk of **FOGSI PRESIDENT**

Dr. Hrishikesh Pai

President - FOGSI 2022-23
Organising Chairperson

Dear Colleagues,

It gives me immense pleasure to welcome you to participate in the FEMMTEK-IV Conference, which will be held at Grand Hyatt, Mumbai on the 25th, and 26th of November 2023.

This is my Presidential conference, which will see the culmination of my presidential year. By the end of this year, we would have conducted more than 20 plus conferences (including an international conference in London), numerous online and on-the-ground in-person meetings, and many public health-oriented activities, including the famous FOGSI Nari Swasthya Janandolan Yatra for Anaemia Mukta Bharat.

Attending this conference will enable you to implement recent advances as well as good clinical practice guidelines (GCPR) in the area of Reproductive Medicine (ART, Endoscopy, Endocrinology), Obstetrics (ANC, Medical Disorders, Labor), Gynaecology (General Gynaecology, Contraception, Oncology, Urology), and Hi-Tech Procedures into your practice. There will be a total of 4 parallel halls, which will enable you to have a wide selection of topics to choose from.

We will have focused sessions in the areas of public health (anaemia, cancer cervix, increasing vaginal birth, screening for genetic disorders, adult vaccination programs), medicolegal implementation of various acts and regulations (ART Act, MTP Act, Clinical Establishment Act, hysterectomy rules, PCPNDT Act), and upgrading your nursing home practice (Manyata/LaQshya certification, starting an HDU, NABH entry-level certification).

All this will be brought to you in the form of participation by National and International faculty who would be from numerous organizations such as FIGO, AOFOG, SAFOG, ISAR, WHO, UNICEF, JHPIEGO, GATES FOUNDATION, etc. On behalf of the entire Organizing team and FOGSI Leadership, I welcome you all to join us for this academic feast!

From the desk of the **ORGANIZING CO-CHAIRPERSONS**

Dear Colleagues,

We have planned an excellent cultural program that will keep you in a relaxed and happy state of mind at the end of heavy days' work of focused learning. We have the national finals of our hugely popular "FOGSI Has Talent" competition in which 12 teams each will be participating in a dance and singing competition.

We will also be having the finals of the Ms and Mr FOGSI Pageant, where 15 finalists from all the zones of India will vie with each other for the title. This will be followed by a scintillating KADAM: Fashion Walk for Women's Health & Empowerment, choreographed by some of India's leading fashion designers and performed by numerous well-known celebrities in the field of films, sports, culture, arts, social work, and professionals, including Doctors.

All in all, attending this conference will be full of learning, fellowship, and Enrichment Team Mumbai, comprising of the Mumbai Obstetrics & Gynaecological Society (MOGS), one of the principal allies of the Federation of Obstetrics & Gynaecological Societies of India (FOGSI), welcomes you to experience the magic.
