LABOUR & BEYOND

Safe Motherhood is Her Right

Organised by
Patna Obstetric &
Gynaecological
Society

Venue:
Hotel Maurya
Patna

7th 8th &
9th
April 2023

PATNA

INVITATION

*With immense pleasure we inform you that Patna Obstetric and Gynaecological society is going to host the FOGSI Vice President East Zone Conference on 7th, 8th, 9th April 2023 at Patna. The theme of the Conference is **Labour and Beyond**.*

*Motherhood is a blessing bestowed on women by the almighty but it becomes a curse when women lose life while giving life. The most sad part of the story is that 75 % deaths are preventable. The maternal mortality of India is rapidly declining but still achieving the SDG goals is a faraway destination. 11th April is Safe Motherhood Day and this Conference is dedicated to Mothers with the theme **Labour and Beyond**.*

*We have arranged workshops on Basic Life Support, Neo-Natal Resuscitation and Labour Room Emergencies. The Scientific Committee is making great efforts to present before you well crafted sessions. Stalwarts from all over the country and abroad will share with us their experiences and enlighten us on various aspects of **Labour and Beyond**, which will have a definite impact on your professional practice.*

We are arranging a very good cultural programme and FOGSI has Talent Show to de-stress and relax you.

Gurudwara, Vaishali – The worlds first democracy , Pawapuri , Bodhi temple Gaya - where Lord Budha attained enlightenment, Ruins of ancient Nalanda University and Rajgir are some destinations adjoining Patna which are worth visiting .

Dear Colleagues please do attend the conference and enjoy the scientific and cultural feast.

Patna obstetric and Gynaecological Society is waiting to welcome you with open arms.

Organizing Team of the Conference Labour and Beyond.
