ABOUT MEERUT

Meerut Obs & Gynae and FOGSI Conference with Yuva 2024 Society welcomes you to Meerut with the full range of our inherited culture, monuments and traditions. Meerut reflects an eccentric mix of culture, traditions and art forms. Despite the changing times we have retained our ancient roots. Meerut is the place where the Indians first united to fight against Britishers and even today we stand strong as a society with each one of us growing strong from our roots and embracing our culture and heritage together.

Meerut offers different religious centres like the St. John's Church, Gagal Tirth, Augarnath Mandir, Basilica of Our Lady of Graces. The city is one of the largest producers of sports goods, and the largest producer of musical instruments in India. The city is also an education hub in western Uttar Pradesh and is also known as the "Sports City of India". Meerut is also famous for sweets like Nankhatai, Rewri and Gajak. Efforts to preserve our heritage is a vital link to our cultural, educational, aesthetic, inspirational and economic legacies - all of the things that quite make us who we are.

Meerut is historical city, well connected to Delhi Airport-(1.30 hrs), Opportunity to visit world famous Sardhana Church, Hastinapur, Rishikesh, Haridwar-Ganga Arti, Jim Corbett National Park, Musoorie, Nainital etc. with good academic feast.

Venue - at NH-58, Highway, no need to enter in city.
