To,
Dr. Harshavardhanji
Honourable Minister of Health & Family Welfare
Government of India

Respected Sir,

We are extremely grateful to you for accepting our invitation to be the chief guest of the E-conclave on Organ Donation for mass sensitization and organ donation pledge drive on 1st July, National Doctor's Day and spend your valuable time. Your proactive approach and words of wisdom has added a new vigour among our members. More than a 1000 members have taken the organ donation pledge on the same day and we promise that the organ donation drive will continue throughout the year. The E-conclave was attended hugely by thousands of delegates.

We would like to inform you that FOGSI had organized Mega cancer screening camps for Cervical and Breast cancer for females in Police and CRPF staff and families on international women's day when we had screened nearly 40000 women across India. We had celebrated Mother's day for "Beti Bachao, Beti Vadhao, Beti Padhao and Beta Samajhao" and organized E-conclave for common people on "Women's safety and empowerment" which was attended by 48000 girls and women in India. We also celebrated world Environment day by planting trees across India and organized E-conclave successfully for common people on "Effects of Pollution and Toxins on Pregnancy and Future generation".

We hope that in future also, we will get your support, encouragement and blessings for FOGSI's academic, research and social activities.

Thank you once again.

With Kindest Regards,

Dr Alpesh Gandhi
President, FOGSI
