

FOGSI Presidential Workshop “Karyashala” : Evolve at Kolkata

by FOGSI Genetics & Fetal Medicine, Medical Disorders of Pregnancy & International Academic Exchange Committees

with The Bengal Obstetric & Gynaecological Society

29th January 2023

‘EVOLVE’ Karyashala Workshop was held in Kolkata on the 29th January 2023. This was a physical workshop conducted by the Genetics and Fetal Medicine Committee (Dr Seetha Ramamurthy Pal as Chair), the International Academic Exchange Committee (Dr Pratibha Singh as Chair) and Medical Disorders in Pregnancy Committee (Dr Manoj Chellani as Chair). This was held in association with the Bengal Obstetrics and Gynecological Society. It was a 4-hour programme and topics like PPH, Diabetes Mellitus, Abnormal Uterine Bleeding and Preterm Labour were discussed. It was a very successful programme with over 80 delegates participating in the event. The programme was ably supported by our Academic partner Alembic.
