Invitation

Dear Friends and Colleagues

Warm Greetings!

We find immense pleasure to inform you that the National Conference on Infertility is being organized by FOGSI office bearers in August from 19th - 21st 2022 at the exquisite location of Goa.

Today with change in ART law and so many advances in the technique, an ardent dialogue on Infertility is the need of the hour. This conference will be a unique platform for all the delegates to interact with experts in the field of Infertility. It will be a great endeavor to keep themselves updated in this domain and will be of great help in their practice.

The scientific topic of the conference will truly reflect the current trend, recent advances, and new approaches in this area and will deliver an in-depth understanding of the frontiers, theories, and techniques in this field. We also hope that despite the intense program you will be able to get glimpses of Goa the most versatile and charming state, a land of sun sand and beaches, famous for one of the top holiday destinations often called Ibiza of India.

It is a grand opportunity for all to immerse themselves in academia with the calm seashore and beautiful beaches of Goa.

We extend a warm invitation and waiting for your active participation.

Regards.
