

# Prof S Shanthakumari and Dr. Madhuri Patel took Office

Installed as Deputy Secretary General of FOGSI at the  
hands of  
President Dr S Shanthakumari 3-6-2021

# Technology

A portrait of Bill Gates, wearing glasses and a light blue shirt, looking directly at the camera with a slight smile. The background is a solid light blue color.

I am not in **competition** with anyone but **myself**.  
My goal is to **improve myself continuously**.

— *Bill Gates* —

Over the course of next few years, FOGSI is planning to embark on a journey towards digitizaion of its functioning. It is important that your information in our database is accurate.

Towards this endeavour, we have created a FOGSI-MVP (Member Verification Portal) FOGSI-MVP is a secure platform for us to verify your data. Please note that this exercise is for the sole purpose of FOGSI's internal use and we respect your privacy. We hope that you will come forward and participate in this exercise to make our organization better.

Thanks,  
Team FOGSI

# APPLICATIONS :

- ❖ Social Security Scheme online Enrollment App : Already live and online enrollment is opened for members
- ❖ Accounts App (NPO): due updating has been done and is more safe and secure
- ✓ **The developments are :**
  - Bill Reference No. added in Voucher Payment.
  - We can view last 15 transactions for a particular account.
  - Journal Voucher entry rights given to an Admin User.

## Capacity of Zoom platform

- FOGSI has purchased a Zoom Subscription. The subscription enables us for unlimited meetings (one meeting at a time) for 30 hours duration per meeting, and webinars for 500 participants with no time limit.
  - Office bearer meetings, ICOG meetings, Journal editorial board meetings, and most meetings. If needed we can purchase an add on pack on an as per need basis. **We have purchased add on pack for Committee's CME /Workshop- zoom meeting for 1000 participants – Dr. Mitra Saxena, Practical Obstetrics Committee & Dr.Ritu Khanna, Foods & Drugs and Medico Surgical Equipment Committee. We have started to give Registration links and Faculty for opinion poll on Zoom Platform for there convenience.**
- FOGSI webinars, committee webinars, ICOG webinars and PICSEP workshops with upto 500 participants can be easily done with no need for industry support. I believe this should cover most of the webinars. Occasionally we can seek industry support if a larger participation is needed
- Most of the mentioned activities can be done using this package. Besides this we can also stream the webinar to You Tube or Facebook using this package so the number of participants could be even larger.

❑ Maximum : Duration : 595 minutes / 9-10 hours - FOGSI MCM : Sep 25, 2021 01:30 PM to 11:30 pm

❑ Maximum: Participants - 1645 - Practical Obstetrics Committee CME / Workshop : Wednesday, 09th February'2022 (3:00 pm - 6:00 pm)

# Few important Meetings held in last “1” Year

- HIV & AIDS Committee Chairperon - Dr. Anju Soni : 2
- Sexual Medicine Committee - Dr. Niraj Jadav : 7
- Practical Obstetric Committee - Dr. Mitra Saxena : 4
- Foods & Drugs and Medico Surgical Equipment Committee - Dr. Ritu Khanna : 1
- Medical Disorders in Pregnancy Committee - Dr. Komal Chavan : 1
- Meeting with Office Bearers : 19
- Meeting related to IT : 7
- Meeting related to AICOG : 5
- Many other meetings of pharma, regarding policies, for projects, project audit, courses
- Our office meetings – MCM, AGM-GBM, ICOG, Center Head, G. C. members, JOGI, Editorial board etc.

###### Verify Membership (CEP)

- After you open the link, a page with your details will be displayed on the screen.
- Click on CEP (your name) inside to verify your membership.
- Please note that you will receive your CEP membership ID number in your email. After you have completed the 3 attempts you have to submit the process by clicking on the Voting link again.
- The CEP window will be open for 15 mins.

###### Make Selection

- Check you are on the page with the correct Ballot, after you have verified your membership (via CEP) you can select the candidates you wish to vote for in each category.
- Please note that you will be required to vote in all categories.

###### Confirm/Modify

- After you have made your selection, you will be required to confirm your choice again.
- You can click on 'Modify' in case you need to make any changes.
- Click on 'Confirm your Selection' if you want to proceed.
- Your vote will be counted only after you 'Confirm your selection'.
- You will receive confirmation on your registration details.

###### Help/Support

- If you have any questions in the website, please contact the 'Help' section.

# Home Page – The FOGSI Flag

## THE FOGSI FLAG

The significance of the colors and design of the flag are meaningful.

The **Blue background** stands for vastness, infinity, depth and noble character which FOGSI is as an organization.

The **Saffron Band** stands for courage, sacrifice and the spirit of renunciation which is abundant in our members.

The **White Band** stands for purity and truth, the character of our profession.

The **Green Band** known as the color of life itself, is associated with fertility for the mothers we treat.

**These colors used together blend well and are very harmonious, signifying the functioning of FOGSI.**

The **Curve** indicates encompassing, protecting as well as togetherness of FOGSI members as it starts together at one point and expands towards FOGSI's goals.

## FOGSI Mission & Vision

### FOGSI Mission

- The Federation of Obstetric and Gynecological Societies of India (FOGSI) supports and protects the interests of practitioners of Obstetrics and Gynecology in India.
- FOGSI encourages dissemination of knowledge and education as well as research in the field of Obstetrics and Gynecology in India.
- FOGSI works to pilot and promote preventive and therapeutic services related to health care of women and children.
- FOGSI also serves to advocate the cause of reproductive and sexual health and rights.
- FOGSI considers the reduction of maternal mortality in India as its primary mission.

## Warm Welcome From IT Co-Ordinator

Welcome to this vibrant website, a mirror reflecting all the activities of FOGSI. Our website is an important interface between FOGSI and the rest of the world. The Federation of Obstetric and Gynaecological Societies of India (FOGSI) is the professional organization representing practitioners of obstetrics and gynecology in India. With over 262 member societies and over 37,000 individual members spread over the length and breadth of the country, FOGSI is probably one of the largest membership-based organizations of specialized professionals. Thousands of viewers from India and the other countries log daily to access the valuable information shared by the members! With [www.fogsi.org](http://www.fogsi.org) the official website, FOGSI has an important presence. [Read more..](#)

# JOGI

**OBITUARY DR. M.N. PARIKH**

**Official Journal of the Federation of Obstetrics & Gynecology of India**

**From the desk of Editor**  
Editor-in-Chief  
Dr. Geeta Sahasrabudhe  
MD, DGO, DNB, FRC

On behalf of FOGSI, the Editorial Board and the Editorial Team of our journal, I would like to wish all authors, patients and readers a wonderful and prosperous year ahead. The journal is the official journal of ICOG with a circulation of 2700 members and a targeted readership of 600 million.

The new assignment of role as Editor in Chief is a cherished one which I would want to fulfil to the best of my abilities along with my team.

COVID-19 related unprecedented issues with the printing of the journal and the backlogs of manuscripts along with the international closure, the will soon start printing and the journal will be posted as before.

2022 was another great year for our Journal. We have received record number of articles submitted for publication during the lockdown. Our journal continues to enjoy a great readership and also receives international attention. In the year that has gone by, our publications continue to receive a number of accolades from the Indian and international community. Springer research, for this, would like to congratulate the outgoing Editor in Chief, Dr. Geeta Sahasrabudhe for her sterling efforts along with her team and their look to all their future endeavours.

Our association with Springer has helped to get international presence and keep printing with the editorial team going.

# Narikkaa

**NARIKAA IS A FOGSI INITIATIVE FOR PUBLIC EDUCATION ON WOMEN'S HEALTH**

**Quick Links**

- Home
- FOGSI Activities
- Publications & GCPR
- Membership
- Post Graduates Section
- Public Awareness

**Narikkaa is a FOGSI initiative, brought alive in partnership with WayBeyond Media Pvt. Ltd.**

It is a safe private space for women to explore, educate themselves and engage with one another to understand their bodies and their choices. The Narikkaa platform is a women's health literacy platform (in English & Hindi to start with) that will provide insight and support to women from all walks of life.

In keeping with the FOGSI mission of reduction of maternal mortality, advocacy around the reproductive and sexual health and rights of women, the Narikkaa platform looks at health in a holistic perspective covering the emotional, physical and psychological aspects of a woman's evolution from Menarche to Menopause.

Content is custom created by a panel of writers and creators and then approved by the experts at FOGSI. Content is structured around the common issues faced by women revolving around topics namely - Adolescence, Pregnancy, Infertility, Family Planning, Gynaecological Disorders and Menopause. Easy to understand short videos and concise articles will be available on an easy to navigate platform with a sophisticated search function.

Patient education is an area that is becoming increasingly important both for the patient and for the Doctor. And, as highly respected members of FOGSI (Federation of Obstetric and Gynaecological Societies of India), FOGSI members play a critical role in improving the health and well-being of women.

FOGSI members' contribution and support has paved the way for India's first doctor-intermediated health literacy platform, 'Narikkaa - Now I Know'. Beyond its core objective to directly improve the health of over 250 million women in India, this initiative is also committed to provide all its members a platform to engage with their patients.

As part of this initiative, all FOGSI members who sign-up to promote this platform will be provided with a personalized Doctor's profile page on [www.narikkaa.com](http://www.narikkaa.com) that can be your public face to your patients and your community.

Save the Girl Child - FOGSI Smriti Newsletter 2022

**SAVE THE GIRL CHILD FOGSI SMRITI NEWSLETTER**  
ISSUE : 2022 (YEARLY)

**Message**

Dear Readers,  
Greetings from FOGSI,  
I feel happy to connect with you all through the Smriti Nishan - Save the Girl Child initiative. As FOGSI President my vision - FOGSI for all Always an OHEERA - to stay water on against women.  
In 2013 I initiated SAVE THE GIRL CHILD initiative, "Invest in Me I am the Future," "Imagine the world without me, this slogan is included in all the official letters, envelopes, communication letters to society members to reach out to all our obstetricians & gynaecologists of Obstetrics and Gynaecological society of India.  
In the FOGSI - FIGO INTERNATIONAL CONFERENCE in 2015, we have launched save the girl child program with PFI Smith as the brand ambassador, hashtag #APlay which had a great impact. We have conducted the medical camps at many schools and colleges to mobilize Karnataka rehabilitation centre at Hyderabad which was started by Mahatma Gandhi and got HPV vaccination done for about 75 adolescent girls. I also motivated the Registrars to take the pledge during every meeting LANCET.

**Plaza**  
We the members of FOGSI, pledge never to do any selection directly or indirectly and never to indulge in selective brain feeding, respecting all the reproductive and human rights of women of India. We also pledge to stop any of our colleagues and say of the non-medical personal indulging in these practices. We pledge to create awareness and let girls be bonded we pledge to educate & empower girls & women of India.  
We have involved all the stakeholders in this and conducted many FOGSI conferences with this subject - Save the girl child awareness programs and fulfilled the responsibility that we have towards society as a Gynecologist.  
The girl child who is harmed sexually also becomes a vulnerable woman - as a result the Nation in 2016 - initiated DHEERA a campaign to say NO TO VIOLENCE AGAINST WOMEN to reduce the burden of VAW in the society which has an impact on women's health and meeting our SDG 5.5 Goals.  
Let's all pledge together to work to empower our Girl Child to a healthy India.

**Message from the Editor**

It is a caring new year, change your direction and not the date, change your commitments and not the calendar, change your attitudes and not your actions, and create a change in your beliefs, power, and focus and not in fact. May you keep your promises and bring joy and your

### ABOUT FOGSI

The Federation of Obstetric and Gynaecological Societies of India (FOGSI) is the professional organization representing practitioners of obstetrics and gynecology in India. With 262 member societies and over 37,000 individual members spread over the length and breadth of the country, FOGSI is probably one of the largest membership based organizations of specialized professionals.
