Anand Hospital, Railway Station Road, Sandhkuva Gate,
Asha Nagar, Navsari 396445, Gujarat.

Dear Colleagues,

Navsari Obstetrics & Gynaecological Society is pleased to announce the West Zone Yuva FOGSI 2020-2021 Conference under the aegis of FOGSI.

After a great deal of deliberations, we have decided to organise this Conference as a “Virtual Conference” because of the ravaging COVID19 in India.

Our focus is purely on academics, largely adhering to the theme of the conference “Technologies Saves Lives” as suggested by our dynamic FOGSI President, Dr. Alpesh Gandhi.

We are arranging a comprehensive scientific programme which will include scientific deliberations, orations, keynote addresses, guest lectures, video sessions, panel discussions, symposia, debates and free papers to be delivered by renowned national faculty that including stalwarts and young budding consultants.

The subjects have been carefully chosen to ensure an update of our approach to day to day practice in Obstetrics and Gynecology. We hope that you all take advantage of this tremendous academic package.

Hope to see you all on your tablets, phones, desktops and laptops on 28/29/30 May, 2021!

With warm regards,
The Organising Team
